1. We will continue to employ a Reading Specialist who will work with students in small groups or one on one, when needed, to improve reading decoding, fluency, and comprehension. The Reading Specialists will offer support and train our other Interventionists on how to best meet the needs of our students. (\$56,016.63)
2. We will continue to have Interventionists and Teaching Assistants work with students who are performing below grade level in reading as part of our Tier 2 and Tier 3 MTSS.
3. Students will be progress monitored as suggested and instruction will be adjusted as needed.
4. Director will provide quarterly data review with the school board (also serving as SCC) to ensure growth and adherence to the budget.
