C.2. **Get to the River- Craft** Arts Council is in charge of the craft for Get to the River. We have a lot of the sun catchers from Art on the Town left over that we will use.

C.3. **Theater Auditions-** We had auditions for "Lucky Stiff" last week, and it went well. Rehearsals will start next week, and the show will be held November 6-14.

C.4. **Mulligan's Wall-** We have the call for art out for the shop wall at Mulligan's that is on Jordan River Trail. After the submission deadline, Tiffany, Emily, and Janell will interview the top three candidates. After the artist is chosen, they will submit a first draft for the Arts Council to approve via email. The final artwork will be approved at the September Arts Council meeting. We will be doing a community engagement aspect at Get to the River. If any Arts Council members can help with this or the craft that morning, that would be great.

C.5. **Quilt Show- America250-** The Quilt Show will be held on Saturday, September 26, from 8 am- 1 pm inside City Hall during the Farmers Market. We have 3 judges lined up. Arts Council members are encouraged to come out that day and see the Quilt Show.

C.7. **Upcoming budget meeting, ideas, and adjustments-** October will be the yearly Arts Council budget meeting. Please be thinking about any adjustments that you would like to see made, and any events or activities that we want to do away with or add for the FY27/28 budget. We can also make small adjustments to the budget we are currently in, for example, we would like to add the mental health art workshops in the spring, so we would need to adjust a bit for that.

D. **Unfinished Business/Misc:** Jason M. asked if Tiffany could re-share the program proposal sheet for new members before the October meeting.

Meeting adjourned at 8:00 pm.
