Type of Animal	Number of animals per residence/establishment	Additional Animals (if rescued)
Dog	2	1
Cat	2	1
Ferrets	2	
Exotic Animals	4	
Rabbits	6	

Definition of “exotic animals:”

“an animal which does not appear on the list of ‘wild animals,’ is domestically bred, and whose species’ native habitat is not indigenous to the continental United States, and also includes any snake which exceeds ten (10) feet in length.”
