1. Welcome: Chair Betty Morin

2. Approve minutes from previous meeting - Action Item

Attendance: Laci McCormick, Betty Morin, Stephanie Woolstenhulme, Crystal Robinson, Myndi Woolstenhulme, Camille Vernon, Kristin Page, Brooke Woolstenhulme, Jan Hermanson, Kay Luther
Minutes approved

3. Welcome new members: Camille Vernon - Teacher (1 year term, replacing Henry Beal), Jan Hermansen - Teacher, Stephanie Woolstenhulme - parent, Kristin Page - parent, Betty Morin - parent and our nominee for replacing Stacey Conklin for one year Brooke Woolstenhulme - parent

Betty did a quick run down of what we do on the Community Council for the new people that joined.

4. Action Item: Nominate Brooke Woolstenhulme to replace Stacey Conklin (1 year term)

Brooke Woolstenhulme was accepted onto the council.

5. Action Item: Elect a chair and vice chair and recorder

Chair - Myndi Woolstenhulme

Vice Chair - Stephanie Woolstenhulme

Secretary - Brooke Woolstenhulme

6. Action Item: Approve meeting dates for 2025-26

Meeting dates approved.

September 21, 2026

October 12, 2026

November 9, 2026

January 11, 2027

March 8, 2027

April 12, 2027

7. Action Item: Adopt Rules of Order

Discussed Rules of Order and Procedure. Had some discussions about a few of the sections.

Rules were accepted as is.

8. Share School Goals for 2026-27 - Mrs. McCormick

Goal 1: English and Math Growth

The goal remains for 60% of students to demonstrate typical or better growth in English and Math on the RISE assessment.

Discussion focused on ways to involve the broader community in supporting this goal. Ideas included creating a community education or awareness campaign around student growth and finding ways to increase parent engagement, particularly participation in Parent Teacher Conferences.

The group also discussed whether there are individuals or organizations outside of school administration that could help support or promote these efforts.

Data meetings have been increased to weekly meetings, allowing teachers and staff to review student performance more frequently and make strategic instructional changes based on the data.

Goal 2: Science

Improving student performance in science remains a priority.

The Yellowstone trip was discussed as one opportunity to increase student engagement in science. Interest in the trip has grown, with enough student participation to support two classes rather than one.

The floor was opened for additional discussion.

Betty brought up the Parent Teacher Conference voicemail and related communication and appreciated the invitation for anyone to sign up.

9. Action item: Adjourn meeting

Meeting adjourned.
