NOTICE OF PUBLIC HEARING

The Jordan School District Board of Education will hold a public hearing on Tuesday, November 10, 2026, at 6:30 p.m. at the JATC South Campus (Board Conference Room), 12723 S. Park Avenue (2080 West), Riverton, Utah for consideration of boundary changes. There are four separate areas being considered for a boundary change:

Area 1 – Airport Area. This change would move public and industrial land near the South Valley Regional Airport from Copper Hills High School to West Jordan High School, aligning elementary, middle, and high school boundaries along the Union Pacific railroad tracks.

Area 2 – Homestead at Butterfield. This proposal would adjust boundary lines in a new housing development near Herriman Elementary, moving 11 students from Oak Leaf Elementary to Herriman Elementary.

Area 3 – South Area. This adjustment would move elementary, middle, and high school boundaries to align with the recently completed Mountain View Corridor extension.

Area 4 – Juniper Crest Area. This proposal would change the elementary and middle school boundaries between Ridge View, Juniper, and Blackridge Elementary Schools and between Fort Herriman and South Hills Middle Schools.
