2025 Financial Audit Report – Virtual presentation by Don Rasmassen of Smuin, Rich, and Marsing – Certified Public Accountants. General Fund Balance was not in compliance, but the large, unassigned fund balance has been carried over for several years and is currently being reduced each year. The district does not collect any property taxes. Other than that, they found no exceptions, no deficit, and no findings. Kevin Clyde asked what the implications of us having that excess money in General Fund were, and Don Rasmassen explained that as far as the State Auditor's Office is concerned, they would rather us keep the money and use it for appropriate expenditures and they know that the district currently does not have any income taxes being recorded and that revenue is being paid for debt allocations. MOTION to approve the 2025 Financial Audit Report as presented by Dale Weiss. SECONDED by Mike Holyoak. MOTION CARRIES UNANIMOUSLY. In favor were Dale Weiss and Mike Holyoak.

Future Agenda Items Request – None.
