Consent Agenda

Approval of Resource Development Committee Meeting Minutes for February 18, 2026.

Motion to approve the minutes from February 18, 2026.

Motion: Ray Spencer

Second: Celeste Meyeres

Motion passed unanimously.

REGULAR SESSION:

1. Reidhead Presentation

Commissioner Meyeres provides a quick overview of Reidhead Forest Management, LLC's presentation and introduces them.

The Board turns the time over to the Reidhead's, Duke and Tony who are attending virtually, to present to the Board. Duke informs the board about some projects the business is working on, including applying for a grant that will allow the company to purchase a kiln.

He also speaks to a bio-mass project they are working on. He asks the Board for a letter of support to help aid in the grant process. Duke also speaks to other issues the LLC is facing while also speaking to potential solutions.

The Board discusses the information presented, offers support, and asks questions that the Reidhead brothers answer. The Board asks staff to pull up the drafted letter of support for Reidhead Forest Management, LLC.

Motion to approve the letter of support as written.

Motion: Mike Noel

Second: JD Wright

Motion approved unanimously.

2. Livestock Trailing Ordinance

Commissioner Meyeres provides a brief overview of the agenda item. Iron County has proposed an ordinance that places signage that warns drivers about potential livestock on the road.

The Board discusses the proposed ordinance. Board Member Battista asks for further clarification about insurance issues outlined by Board Member Meyeres. He also asks if the signage would apply for only County roads or UDOT roads as well. Board Member Spencer mentions the history of the issue in Iron County.

Commissioner Meyeres asks Taylor Glover to speak about the County road rights. He also provides an overview of additional potential benefits of the ordinance.

3. County Commissioner Report

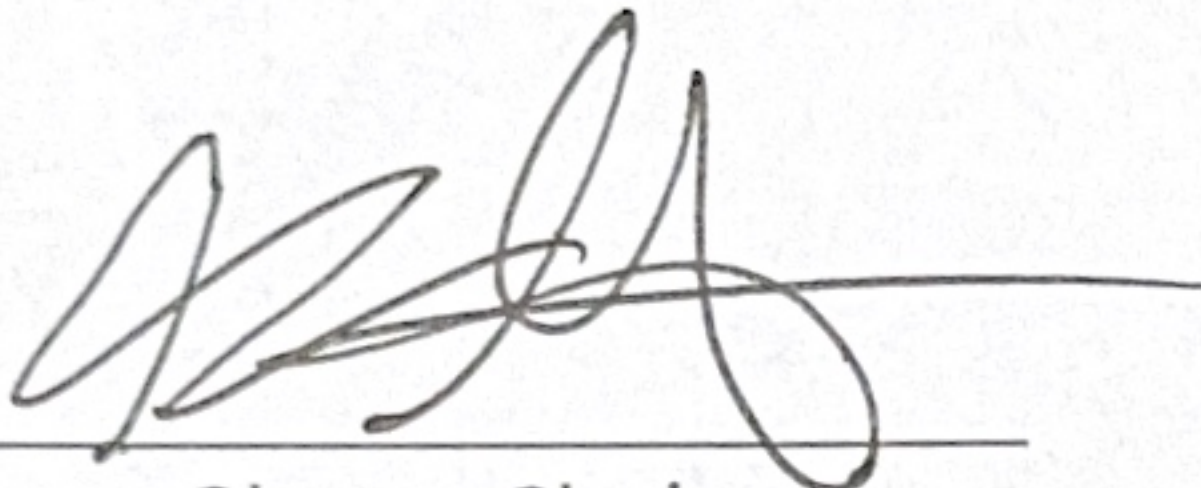

Commissioner Meyeres gives the Board an update on Kane County Commission updates including a meeting with DOI and a national parks update.

4. Other Discussion Items

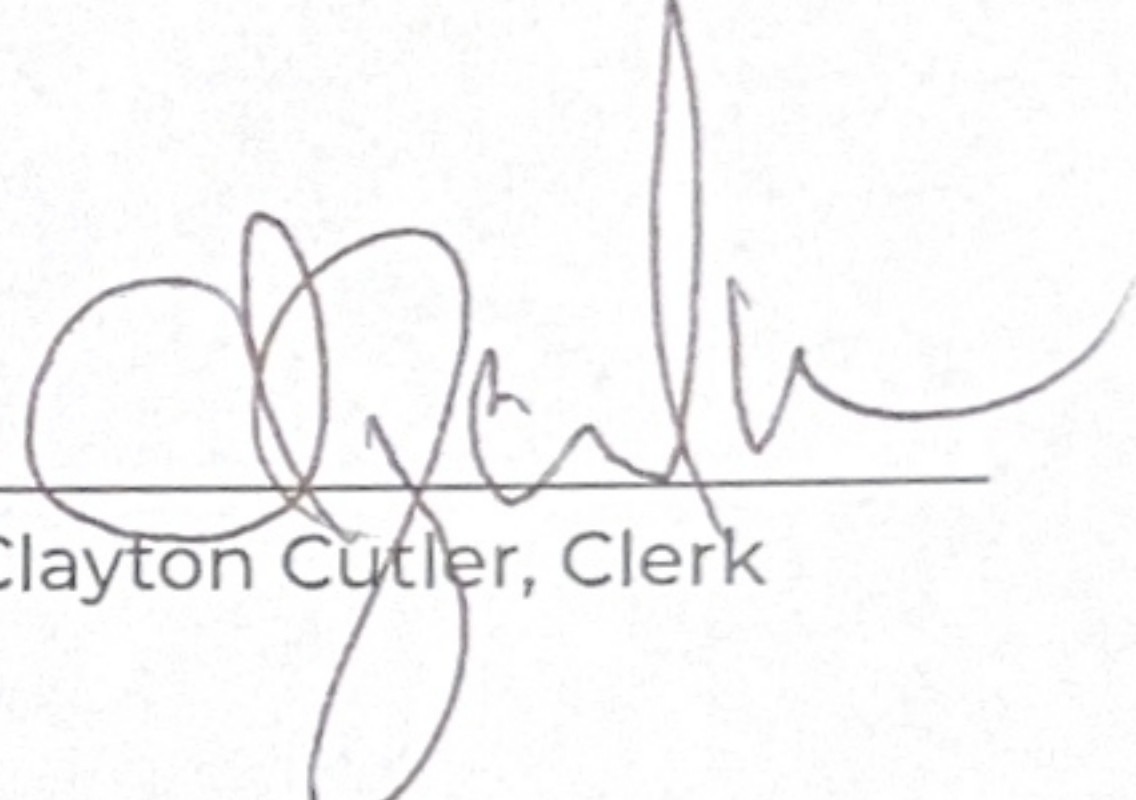

Board Member Noel speaks about the 501C3 committee that he and Hayden Ballard work with that deals with grazing and roads issues. Commissioner Meyeres also speaks to the Coral Pink Sand Dunes Road improvement project and some litigation issues that the project has run into.
