REPORT OF OFFICERS AND COMMITTEES

Recreation Committee:
The Chamber of Commerce would like the Special Event Permit waived for the Spooktacular. Council Member Davis contacted the Recreation Committee to see about using their funding to rent the port- a- potties. It would be for 2 units at $150 apiece through Fullmer Sanitation. They have not voted on it yet, but they said they would do it. The Spooktacular will be held on October 24th. He asked if they could use the portable stage and have the city workers set it up. Council Member Clements made a motion to add the Special Event Permit waiver to the agenda. Council Member Nedreberg seconded the motion. All in favor motion carried. Council Member Clements made a motion to approve the Special Event Permit and waive the fee. Council Member Nedreberg seconded the motion. All in favor motion carried

Planning Committee:
Mayor Jenkins said there are three vacancies and we need to get the openings posted.

Council Member Charles Davis – He asked to have the dead pine tree next to his shop removed. He is concerned that the wind will topple the tree. Mayor Jenkin said we can get that taken care of.

Council Member Kimberly Clements – She talked to Tyler about getting the cemetery plot for Charlie and the other plot next to it marked. She asked the Mayor about dump passes. Mayor Jenkins said he is working on something to help people in town who do not have trash service with the city to be able to use the dump. He has also had similar requests from residents from Mammoth. He thinks setting up a small fee would be something to look into. They discussed options and who should be allowed to dump. Council Member Nedreberg made a motion to allow non-Eureka residents to use the dump for a fee of $20 a load and to leave the current

pricing for Eureka residents who have a dump pass. Council Member Clements seconded the motion. All in favor motion carried

Council Member Thomas Nedreberg – He will be attending the ULCT conference. He will be attending the rural caucus and date center sessions. He will take notes on both sessions. He said we have talked about getting computers and wanted to know if we have minimum specs or types of computers. Mayor Jenkin said windows would be good. They discussed the type of specs and for what was discussed he should be able to find some around $400 - $500.

Council Member Raeleen Maxfield – She still has not received any projects from the Council.

Council Member Tony Atherley – Not present at the meeting.

Mayor Robert Jenkins -

Memorial Building Repair and Library.
Abandoned and dilapidated buildings.
Historic Preservation Committee.

He has been spending a lot of time at the Memorial Building working on repairs. He has talked to the State about getting a library back in the Memorial Building. He has been having the Nephi Library help him on some of the issues. He said to help with staffing concerns he would like to have City Hall move into the Memorial Building. Council Member Clements has reservations about moving City Hall into the Memorial Building. Mayor Jenkins said there is still a lot of work that needs to be done. We will need to get grants and funding to get the building repaired. He is putting together a Historic Preservation Committee to help us get grants. He just found out the city was decertified last year from the Certified Local Governments. This puts our historical sites in jeopardy by not getting grants and funding. He wanted to make the Council aware of what he has been working on.

ADJOURNMENT

Council Member Nedreberg made a motion to adjourn. Council Member Clements seconded the motion. All in favor meeting adjourned 8.25 pm.
