The construction contract will be awarded in compliance with the City's value-based procurement program, which takes into account certain factors in the Bidder's work environment. For more information about this program, please read SLC Administrative Rules, Procurement Roles Chapter 19 (See document 00 22 18, Article 1.2 paragraph "A" for a link).

ATTENTION TO CONTRACTORS: On **November 10, 2026, at 10:00 a.m.,** a pre-bid conference will be held online via Microsoft Teams. Specific meeting instructions will be found on Bonfire prior to the meeting. Attendance is highly encouraged. All contractors intending to submit a bid are invited to attend to obtain relevant information concerning the project. Bidders are advised that information affecting drawings, specifications, conditions, Scope of Work, etc. may be discussed. OWNER assumes no obligation to disclose information discussed at the pre-bid conference to Bidders who do not attend. Absent Bidders assume all risk of failure to attend.

The work to be performed consists of furnishing and installing the equipment, facilities, services, and appurtenances indicated in the Contract Documents. The Work generally includes, but is not limited to concrete flatwork replacement, curb and gutter, drive approaches, and miscellaneous tie-ins to other structures in the public way, including asphaltic tie-ins. Some locations may be repaired by mud jacking, grinding, and/or scarifying. Some locations may require tree and stump removal at the direction of the Resident Project Representative, with the approval of the City's Forester.

The City reserves the right to reject any or all bids or to waive any informality or technicality in any Bid if deemed to be in the best interest of the City.

In compliance with the Americans with Disabilities Act (ADA), the following information is provided: FAX number 801-535-6093, TDD Number 801-535-6219, contact person: Fel Fano, 801-535-6210, City Engineer's Office.
