04 · BOUNDARY STUDY

A new high school in 2028

A new grades 9–12 high school opens in Saratoga Springs in fall 2028.

The proposed boundary splits students among Cedar Valley, Westlake and the new school.

Proposed boundary, October 23, 2026

BOUNDARY STUDY · FORECASTED ENROLLMENT

Balanced enrollment across schools

Under the proposed boundary, high schools range from about 2,700 to 2,900 students by 2030, and middle schools from about 1,400 to 1,650.

High school	Grades	Fall 2028	Fall 2029	Fall 2030
Cedar Valley	10–12	2,682	2,767	2,903
New High School	9–12	2,639	2,684	2,727
Westlake	9–12	2,754	2,847	2,931

Middle school	Grades	Fall 2028	Fall 2029	Fall 2030
Frontier	7–9	1,447	1,545	1,637
Lake Mountain	7–8	1,412	1,437	1,450
Sage Canyon	7–9	1,500	1,571	1,534
Vista Heights	7–8	1,380	1,425	1,413

05 · COMING SOON

Bus Maintenance Facility

A critical need

Our own bus maintenance is essential to district operations and independence.

Next to transportation

Located by the district's current transportation center, shown at left.

Room to grow

Access for future expansion so Westlake and district students can take diesel mechanics classes.
