Thank you.

Letter to Mayor Anderson — Member-at-Large Appointment

October 15, 2026

The Honorable Mark A. Anderson
Mayor, City of Logan
290 North 100 West
Logan, UT 84321

Dear Mayor Anderson:

On behalf of the Logan River Golf Advisory Board, we write to request that you appoint Afu Latu to a three-year term as a Member-at-Large. Mr. Latu has previously served the Board through the full run of terms customarily allotted, which is why this request departs from the usual appointment protocols. We do not make it lightly; the Board considered it carefully and voted in favor of this recommendation at its meeting on October 15, 2026.

Mr. Latu has already given the course years of committed service. As President of the Men's Association he grew participation and strengthened the association's standing in the valley, and he has promoted Logan River Golf Course tirelessly throughout the community — recruiting new players, supporting tournaments, and speaking well of the course wherever he goes. His efforts have consistently gone beyond what the role asked of him.

He has also served faithfully as a golf marshal, where he has earned a reputation for courtesy, good judgment, and genuine care for players and for the condition of the course. That day-to-day presence has given him a practical knowledge of the property — its strengths, its problem spots, and the needs of the golfers who use it — that few prospective board members can match. Just as important, he has built an excellent working relationship with our golf professional and our course superintendent. He listens to them, respects their judgment, and pitches in where he is needed, and that rapport would carry directly into his service on the Board.

As the Board takes up the driving range improvements, the clubhouse walkway, fee planning for the 2027 season, and other improvements still ahead of us, Mr. Latu's experience and his standing among local golfers would be a real asset. We recommend him without reservation and respectfully ask that you make this appointment.

Thank you for your consideration. We are happy to provide any further information you may need.

Sincerely,

Konrad S. Lee
President, Logan River Golf Advisory Board
