In compliance with the American with Disabilities Act, individuals needing special accommodations (including auxiliary communicative aids and services) during this meeting should notify Katie Downs, Town Recorder, recorder@trenton.utah.gov , at least 24 hours before the meeting.

The purpose of this public hearing is to provide citizens with pertinent information about the Community Development Block Grant program and to allow for discussion of possible applications for the 2026 funding cycle. The grant money must be spent on projects benefiting primarily low- and moderate-income persons. The Bear River Association of Governments, of which Trenton is a member, is expecting to receive approximately $850,000 in this new program year. All eligible activities that can be accomplished under this program are identified in the CDBG Application Policies and Procedures Manual and interested persons can review it at any time. Examples of eligible activities include construction of public works and facilities such as water and sewer lines and fire stations. Other examples of eligible activities also include acquisition of real property and provision of public services such as food banks or homeless shelters. In the past, Trenton has received $41807.00 grants for the purpose of cemetery road improvements. We handed out our capital investment plan as part of the regional "Consolidated Plan". This list shows which projects the city has identified as being needed in the community. Will anyone with questions, comments or suggestions during the hearing Please identify themselves by name before they speak? The clerk will include your names in the minutes and we would like to specifically respond to your questions and suggestions during this hearing.
