SELECTED INFORMATION
FOR THE PERIOD ENDED JUNE 30, 2026

Notes to the Reader:

The financial statements of the District have been prepared in accordance with the criteria established by the Governmental Accounting Standards Boards ("GASB"), which is the source of authoritative accounting principles generally accepted in the United States of America ("GAAP"), as applied to governmental entities. The District's financial statements are prepared using the modified accrual basis of accounting. The financial statements include the following departures from GAAP:

- Management's discussion and analysis and substantially all disclosures required are omitted.
- The statement of revenues, expenditures and changes in fund balances – governmental funds has been omitted.

The financial forecasts present, to the best of management's knowledge and belief, the District's expected results of operations and cash flows for the forecast periods. Accordingly, the forecasts reflects its judgment as of December 2, 2025 the date these forecasts were prepared, of the expected conditions and its expected course of action. The assumptions disclosed herein are those that management believes are significant to the forecasts. There will usually be differences between the forecast and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

The financial statements are developed by the District to comply with GAAP, although there may be departures from GAAP not identified. These statements are primarily intended for use in managing the District's operations and may not be suitable for other purposes. Users should be aware of these limitations when utilizing the financial statements.

The December 31, 2025 financial statements are subject to an audit which is in progress as of July 15, 2026. Any adjustments resulting from the audit are not included in these financial statements. Adjustments may be material.

WOOD RANCH PUBLIC INFRASTRUCTURE DISTRICT
2026 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS

Services Provided

On October 11, 2023, the City Council of West Jordan, Utah (the City), acting in its capacity as the creating authority for the Wood Ranch Public Infrastructure District (the District), adopted a resolution creating the Districts. The Office of the Lieutenant Governor of the State of Utah issued a Certificate of Creation for the Districts on October 27, 2023, which was recorded in the real property records of the Salt Lake County Recorder on November 9, 2023.

The District was established to provide financing for infrastructure improvements to facilitate development within the boundaries of the Districts. The District has the power to issue bonds for the purpose of paying all or part of the costs of acquiring, acquiring an interest in, improving, or extending certain public improvements, facilities, or property.

The District has no employees, and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results because events and circumstances frequently do not occur as expected, and those differences may be material.
