2. PUBLIC HEARINGS

1. **Public Hearing - Rezoning 3.08 Acres located at approximately 12723 South Park Avenue to RM-8-D, Currently C-D Zone, Brad Reynolds Construction, Applicant**

[7:07:59 PM](#) Jason Lethbridge, Planning Manager, explained that Brad Reynolds Construction submitted an application requesting that 3.08 acres located at approximately 12723 South Park Avenue be rezoned from C-D (Commercial Downtown) to RM-8-D (Residential Multi-Family 8 Units Per Acre Downtown). He said the property is currently zoned C-D. Property to the north is zoned C-D and is currently utilized as a ProStop Convenience Store. To the west property is zoned C-D and is occupied by a School District Technical Facility. To the south and to the east property is zoned RM-8-D and is currently developed as a housing development constructed by the applicant.

Mr. Lethbridge said the property has been zoned Commercial Downtown for many years and has been part of various commercial ventures, such as the Garden Lodge and Concordia Preparatory Academy. Those businesses have since ended and the school district has purchased the property. The portion being proposed for rezoning is excess property that the applicant is purchasing from the District. Riverton City has undertaken rezoning of several of the remaining vacant areas in the downtown area from commercial to residential in an effort to provide additional housing opportunities in the area and to boost economic development of the existing commercial spaces. Essentially, the applicant is proposing to extend the existing Residences at Park Avenue development into this property. The requested zoning and density is exactly the same as that to the west and south.

Mr. Lethbridge said that on April 9, 2015, the Planning Commission voted to recommend approval of the rezone application.

[7:11:39 PM](#) Council Member Paul Wayman commented.

2. Public Hearing - Amending Sections 18.190.080.2, 18.190.090.11, 18.190.110 and 18.190.120 Home Occupations, Addressing Allowed Homes Business Types/Activities, Amendments proposed by Riverton City

[7:14:49 PM](#) Jason Lethbridge, Planning Manager explained that Riverton City currently has an ordinance addressing home occupations, or home based businesses. That ordinance is found in section 18.190 of the Land Use Code. The ordinance lists, among other standards, types of home based businesses and designates them basically as permitted, conditional, or prohibited. Concerns have arisen recently with the fact that the ordinance does not prohibit manufacturing activities as home based businesses. The proposed amendments address this, prohibiting manufacturing and mechanical assembly uses. In addition, standards are clarified for revocation of a permit, and the process for reapplication following revocation or denial of a permit is established.

[7:16:53 PM](#) Mayor Applegarth commented.

[7:17:10 PM](#) Jason Lethbridge continued.

[7:20:57 PM](#) Council Member Tricia Tingey commented on Section 18.190.120 - Reapplication Following Revocation or Denial and asked if someone were to reapply, would they no longer be grandfathered in and would they be required to reapply under the new requirements? Mr. Lethbridge explained that grandfathering is established by continued use and once a permit has been revoked, all rights associated with that permit are lost so any new application would be subject to new ordinance; however, he said he would clarify this issue with the City Attorney.

[7:21:22 PM](#) Jason Lethbridge commented.

[7:21:33 PM](#) Council Member Tricia Tingey commented.

[7:21:39 PM](#) Council Member Sheldon Stewart commented.

[7:21:52 PM](#) Jason Lethbridge commented.

[7:23:26 PM](#) Mayor Applegarth commented.

[7:24:32 PM](#) Council Member Brent Johnson commented.

[7:25:36 PM](#) Mayor Applegarth recommended that the ordinance and application be prepared by staff with the suggestions made and that staff review it with the City Attorney and bring them back to the Council for discussion.

[7:26:36 PM](#) Jason Lethbridge explained that they are preparing a list of all prohibited uses on the application and the applicant will be required to indicate that they are not going to be doing any of the prohibited uses prior to their application being submitted.

[7:27:13 PM](#) Mr. Lethbridge said that on April 23, 2015, the Planning Commission voted to recommend approval of the proposed ordinance amendment with the following amendments:

1. A separate standard shall be set for the permits that have been denied to allow time for reformulating the application for resubmittal to the Commission.
