
PUBLIC HEARING

The **Fillmore City Planning Commission** will conduct a public hearing in conjunction with the regular planning meeting on Tuesday, May 26, 2015 at 7:15 p.m. in the City Council Chambers located at 75 West Center Street, Fillmore Utah. The purpose of the hearing is to receive public comment on proposed changes to the Fillmore City Zoning Code conditional use permits standards which would allow child care centers conducted in the providers dwelling to have up to sixteen (16) children at any given time, including the providers own children 12 years of age or younger. The proposed changes would also remove cross ties to home occupation conditional use permits for child care centers and child care facilities. The changes would affect all zoning districts allowing child care centers or facilities as conditional uses. The full text of proposed changes is available upon request from the Fillmore City Recorder. Citizens are encouraged to attend and participate in the public hearing process.

Those needing special accommodations should contact the City Office 3 days prior to the hearing.
