

**CACHE COUNTY AMBULANCE STATION  
SITE PLAN  
CORNER OF CENTRE AVENUE & PARK AVENUE  
PLANNING COMMISSION MEETING  
JUNE 11, 2015**

ZONING- R-2- Permitted

UTILITIES- Existing on Centre & Park Avenue

PARKING- As shown in front of building. At present there are two emergency personal on duty from early in the morning until late evening.

FENCING-

LANDSCAPPING- In areas proposed around the site.

LIGHTING-

FIRE OFFICIAL REQUIRMENTS- This will be completed during building permit review.

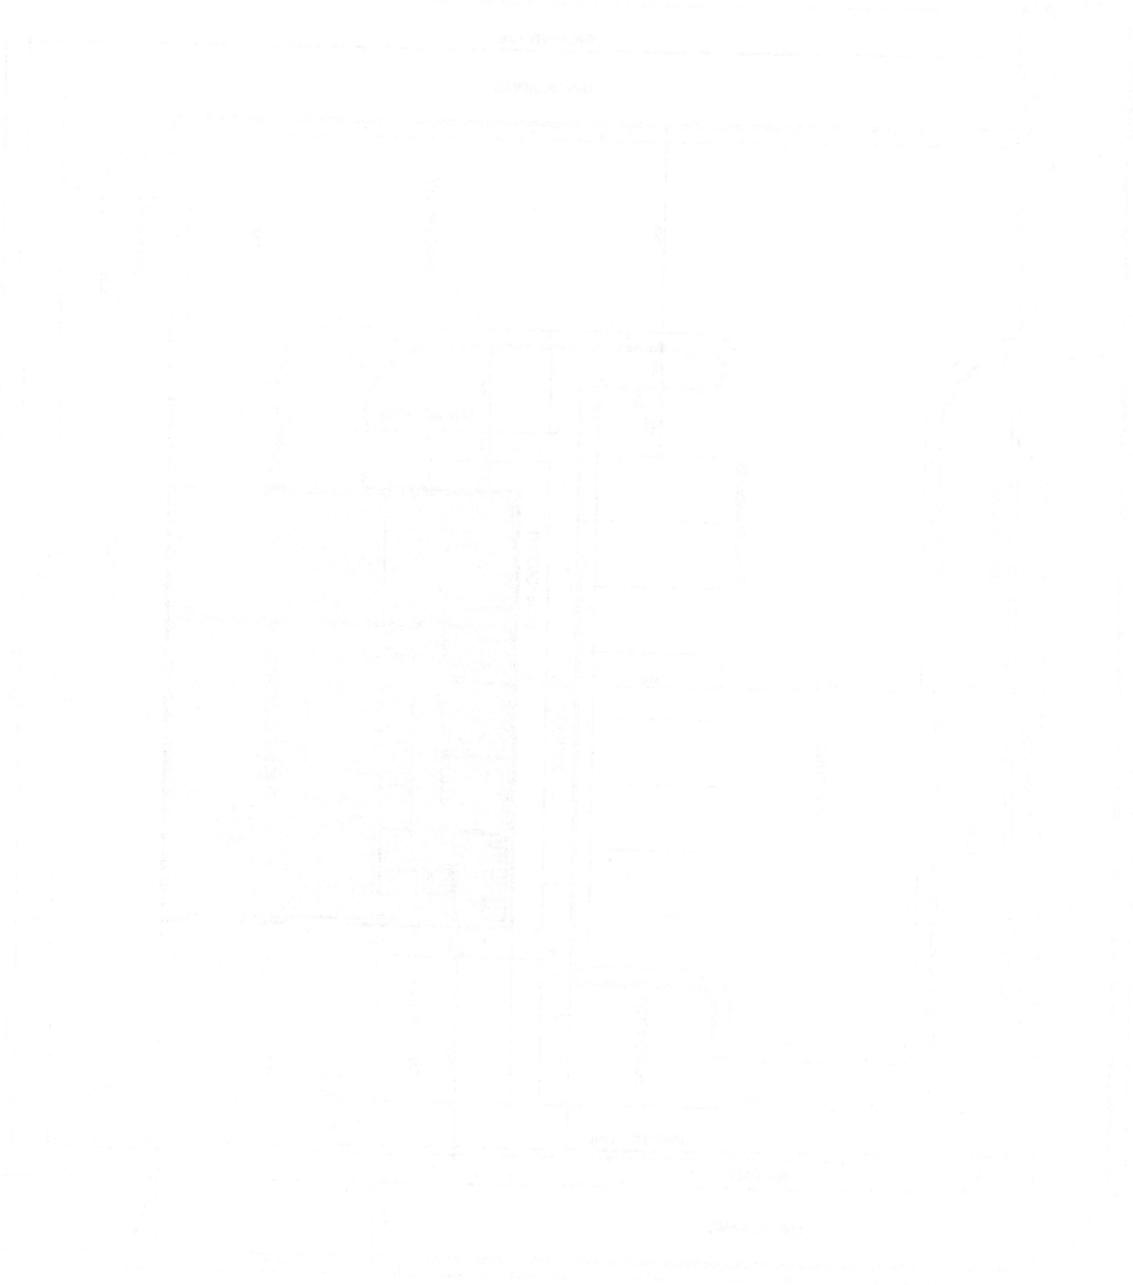

STORMWATER- It will probably be run into the landscaping areas. They will have more details at the meeting.

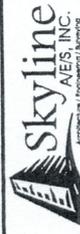

SIGNS-

NOTES- Cache County currently rents a small house from the city by the fire station. They have decided that they wanted a newer permanent location that would better suit their needs on the south end of the valley. They were looking for property in Hyrum, Nibley, or Wellsville. Hyrum City offered to donate a piece of property if they would stay in the city. We believe it is in the best interest of our residents to keep this facility in Hyrum. The County likes this location because it gives them easy access to Highways 101 & 165 and they can quickly travel to all locations on the south end of the valley. This offers them also the use of the park that they can go to and have lunch etc., since they are pulling 12 to 16 hour shifts.
