Program Rules & Regulations

Application Details: All equipment must be new and installed on, or prior to, the date of the application. Applications must be filed no more than 6 months after purchase of appliance/thermostat. Thermostats must be purchased on or after July 1, 2015. Please mail/drop off completed applications, along with a legible copy of your sales receipt to the address listed below. All rebates are issued as a check and will arrive through the mail. **Incomplete applications will result in a delayed or denied rebate.**

MAIL COMPLETED APPLICATIONS TO:

Logan City Environmental Department,
Attn: ENERGY WISE PROGRAM
153 N 1400 W,
Logan, UT 84321

Receipt Necessary: A legible copy of the itemized purchase receipt, along with the manufacturer, model number, and purchase date must accompany the application. **Please circle or highlight the model number and purchase date on receipt/invoice.**

Rebate Availability: All rebates are subject to available funds. All rebates will be serviced on a first-come, first-served basis according to postmark.

Eligible Customers: Any Logan City Light and Power customer is eligible for a residential rebate. If applying for a thermostat rebate, customer must have central air conditioning. Property owners in Logan are also eligible for a rebate; please call 435-716-9792 for more information.

Qualifying Appliances: Current model year appliances that carry the ENERGY STAR label are eligible for rebates. A list of qualifying appliances is available at www.energystar.gov. Thermostats eligible for rebates under this program are: Allure Energy Eversense Thermostat, Ecobee Smart Thermostat, Honeywell Lyric WiFi-Enabled Thermostat, Nest Smart Thermostat, or Schneider Electric Wiser Air.

Timeframe: Please allow up to four weeks for your rebate check to be mailed to the address provided.

Please dispose of used appliances and thermostats in a responsible manner. Refrigerators and freezers contain freon, a gas known to damage the ozone layer. Proper disposal of these items prevents damages to the environment. Thermostats may contain mercury. Proper disposal of these items prevents mercury from contaminating our air, soil, and water. For questions or assistance with proper disposal methods, please call Logan City Environmental Department at 716-9755. Thank You.

Please note, you may be eligible for rebates from Questar for thermostats and clothes washers. Please visit www.thermwise.com for more information.
