

# Project Update

**UDOT Project Manager Brett Slater**

# Antelope Drive Widening

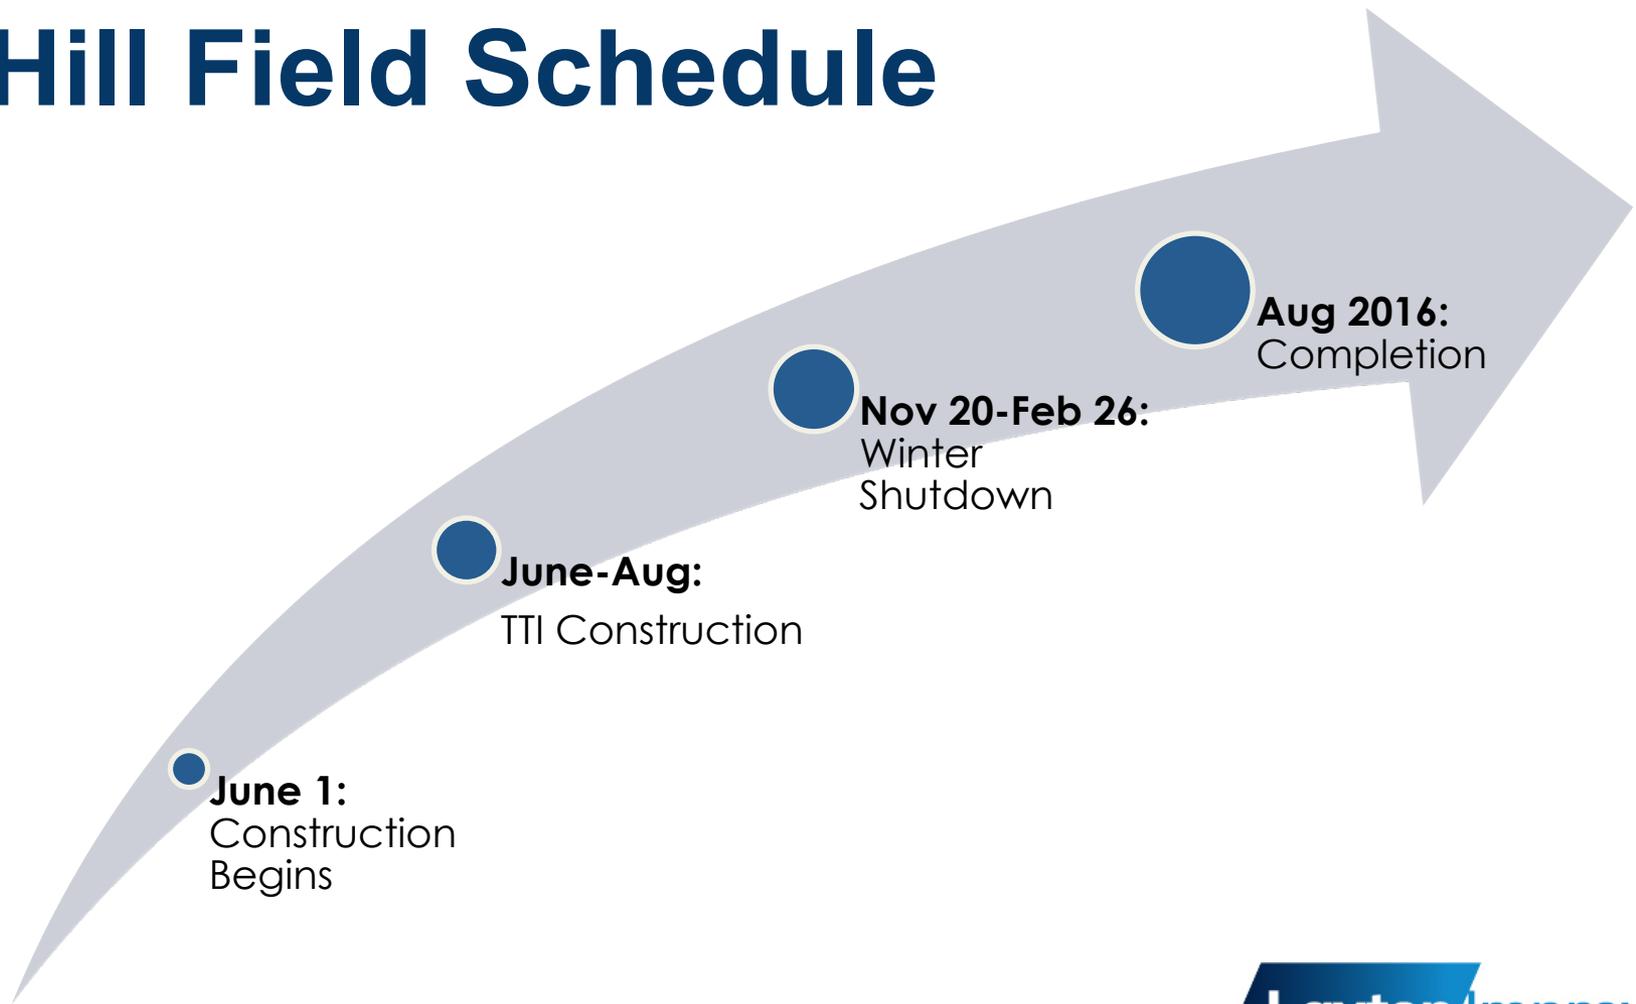

# Antelope Drive Widening

# Hill Field Widening and SPUI

# Hill Field Schedule

# Public Engagement

- Citizen Review Board
- Business coordination
- Educational outreach
- Web, hotline, email, social media

# Lessen Public Impact

- TTI open 2015
- No impact to traffic until September
- Bridge slides
- Little impact to I-15
- No impact to I-15 traffic or under bridge on Hill Field until Feb. 2016

# TTI Design Improvements

- Additional and enhanced signage
- Improved business access
- TTI closer to intersection for less out-of-direction travel
- Double lefts for broader turn radius and more capacity, less cuing
