

Hello Mayor Miller,

>

> My name is Aubrey Taylor. I've been a resident of Hyrum City for a
> little over 2 years. I am interested in starting a Hyrum Community
> Choir. I have a bachelor's degree in Choral Music Education, and I've
> got verbal commitments from 2 other very talented Hyrum residents who
> would like to help me get this started.

>

> I contacted City Councilmember Aaron Woolstenhulme, who said we could
> probably use the Hyrum Civic Center to rehearse if we didn't conflict
> with other events. So I'm contacting you (and sending a copy of this
> email to the parks and recreation department as well) to see if I
> could get that organized.

>

> This would be a not-for-profit organization. The only fees charged
> would be small amounts for members to pay for their sheet music. I
> think it could do a lot to create unity in our little city, and I
> think there are many adults who would be interested in gathering
> together to make music. I'd like to hold rehearsals for 2 hours once a
> week, possibly Wednesday or Thursday evenings from 7:00-9:00 PM. Is
> there a way we could use the facility for rehearsals without paying
> the reservation fee, since this would be an organization with regular
> meetings, meant to benefit our community?

>

> I would like to get word out and hold auditions some time at the end
> of September, and begin regular weekly rehearsals in October.

>

> I would love your thoughts on if you think this would work okay, and
> any input to help me get it started.

>

> Thank you for your time!
