Re: 15.46 acres Senior Housing Overlay "ELK RIDGE VILLAS"

To Whom It May Concern:

Brent Skipper with Sky Development is asking you to review this submittal for a senior Twin Home housing overlay in the currently residential zone. We believe many current residents 55 and older would prefer to retire in this area, but want to downsize. The opening of the LDS Temple in Payson will also attract (or retain) more retirees in southern Utah County. This will be a very successful project and an asset to the Elk Ridge community.

We have attached some images of examples of the type of housing we envision. The concept design will embrace a central open space perfect for shade trees, a gazebo, and other simple amenities desirable to 55 and older residents. The golf course would be supported by these residents as well.

All landscape and common ground will be maintained by the HOA. Small, private fenced backyard areas will be planned for, but not mandated. The 60-unit development will have an HOA large enough for financial sustainability, however the amenities will not require expensive maintenance or management fees to be a burden on residents.

Other Submittals:

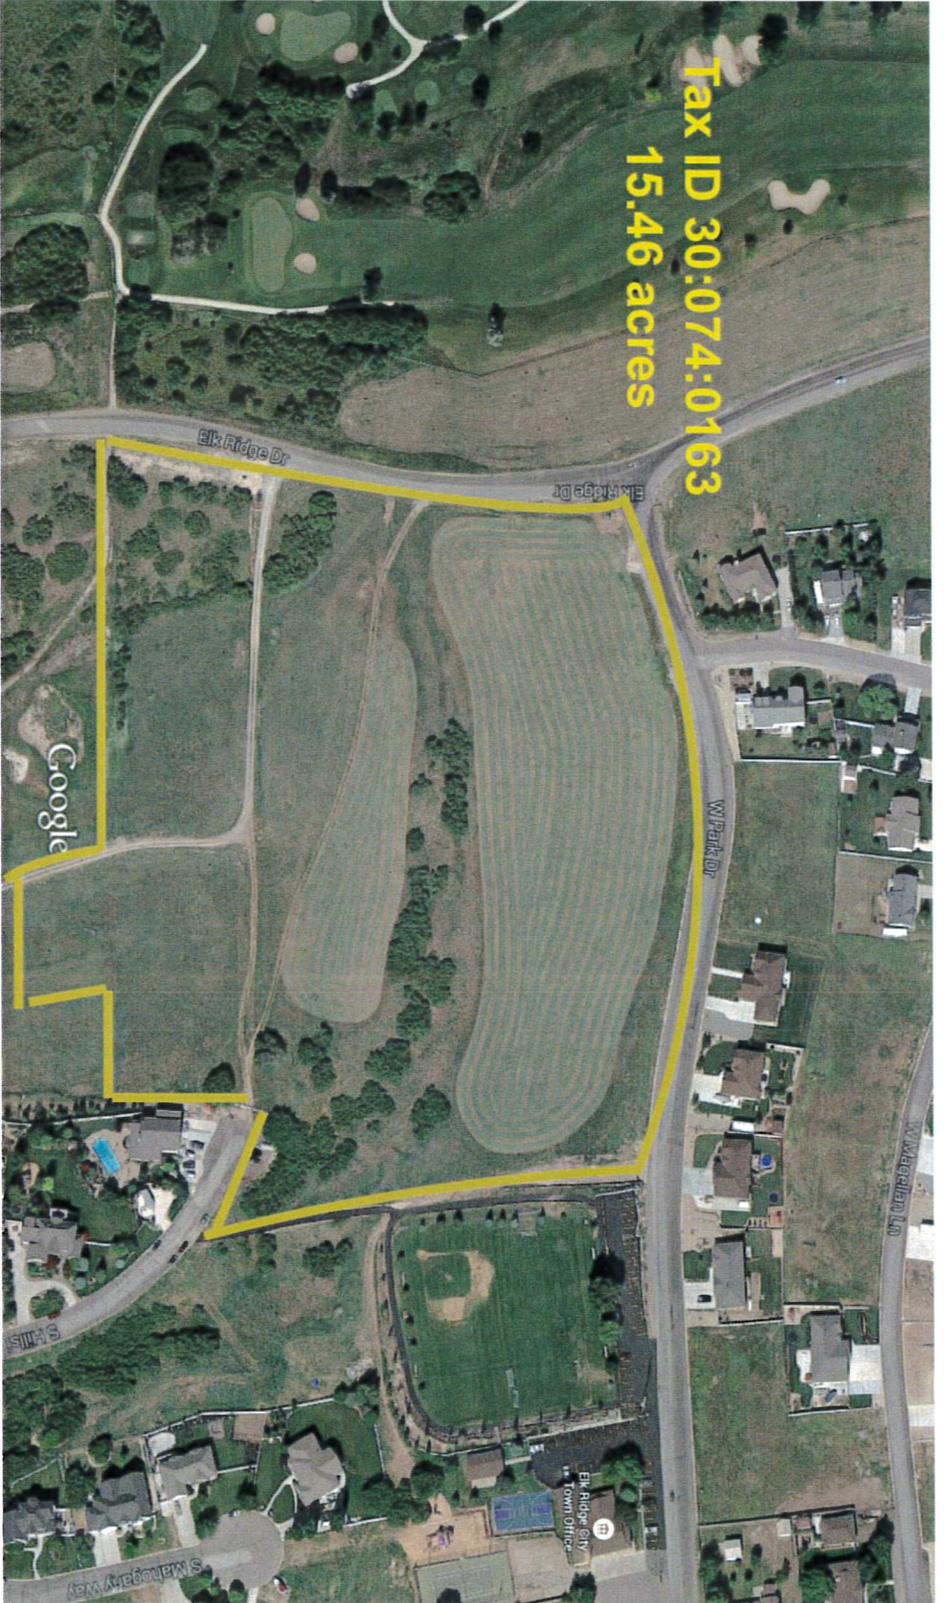

Name and address of property owners:

Cloward Family Trust

Clowards are selling the property and are in favor of our proposal (sale contingent on entitlement).
