Plans: Once a week for 45 minutes 6 children will come to my house for a group music class. Every other week parents will stay and attend the class with their children. The class will be held in the basement of my house in the family room. Children and parents will park either in my driveway, in front of my house, to the side of my house or on the dead end street next to my house. I have informed the neighbors about the parking situation and they all were fine with it and signed the application after I told them.
