

WILLARD CITY CORPORATION
Resolution #2015-17

A RESOLUTION DESIGNATING THE WILLARD CITY ENGINEER AS THE
RESPONSIBLE PERSON FOR ACTIVE COMPUTER WATER MODELS AND
CONSTRUCTION STANDARDS FOR MULTI UNIT SUBDIVISIONS

WHEREAS, The State of Utah, Division of Drinking Water requires that any multi-unit subdivision that begins construction after July 1, 2015 be submitted to the Division of Drinking Water for review and approval; and,

WHEREAS, A provision in the statute allows the City to designate the city engineer as the person responsible for an active computer water model and construction standards for the system; and,

WHEREAS, Jones & Associates has been contracted as the City engineering firm with Chris Breinholt as our designated City Engineer

NOW THEREFORE, BE IT RESOLVED, that the City Council of Willard DESIGNATES THE WILLARD CITY ENGINEER AS THE RESPONSIBLE PERSON FOR ACTIVE COMPUTER WATER MODELS AND CONSTRUCTION STANDARDS FOR MULTI UNIT SUBDIVISIONS.

This resolution is effective upon passage.

APPROVED and signed this _____ day of _____, 2015.
