

MEMORANDUM

TO: Members, Utah State Board of Education

FROM: Angie Stallings, Associate Superintendent
Policy and Communication

DATE: November 5-6, 2015

INFORMATION: Policies and Procedures Update

Background:

In response to risk mitigation, a consolidated policy handbook for the State Office of Education is being developed. Policies and procedures for the Board are also included in the Board Bylaws.

Key Points:

Policies exist in varying forms in sections throughout the State Office of Education. Staff will review plans to consolidate those policies and provide consistency in format. In addition, Superintendent Stallings will give a progress report on updates to the Board Policies and Procedures.

Anticipated Action:

Information only.
