She did participated in Youth City Council in West Jordan when she was a teenager and it was terrific to get involved in the City and do service projects. It’s a great place for the youth to gain an appreciation for civic life. Seeing a large body of youth involved in the City is a sign of community strength and they are passing along civic values to them.

**ACTION ITEMS**

**UNFINISHED COUNCIL BUSINESS**

- 1. **A resolution granting permission for the Police Department to appropriate certain property in its possession to public interest use.** Deputy City Attorney, Hannah Vickery, advised that Shooter’s World, who will receive the guns, will sell them. The history of the gun does not follow it. The City destroys all of the illegal guns and they are not appropriated. Evidence in a homicide has to be kept forever so those weapons are not appropriated.

Council Member Beverly moved to approve this resolution.
