Subject: Canyon Creek Townhomes Phase 2 Review

Dear Commission:

Horrocks Engineers has reviewed the revised site plan for the Canyon Creek Townhomes Phase 2. The developer is proposing to change the size of the buildings to accommodate two car garages instead of one car garages. This change does not have an effect on the infrastructure required for Phase 2 of this subdivision.

Horrocks Engineers appreciates working with you in this matter. Please call our office with any questions.

Sincerely,
HORROCKS ENGINEERS

Scott Kettle, P.E.
Kamas City Engineer
