#6 Hildale City Mission Statement

Richard J. Barlow read the Hildale City Mission Statement

#7 Municipal Code Review

Discussion commenced on page 264 concerning final plat. The discussion moved to sewer proposals and construction plans. There was some concern about a development being considered up towards Water Canyon. There was also some discussion concerning monitoring for an alternate wastewater system.

Skipped to item #8.

#8 Other Business

Blake gave an update concerning a UEP auction that took place during the week.

Returned to item #7.

#7 Municipal Code Review

Discussion continued concerning storm drainage. The discussion moved to street improvements, then fire flow and line size standards. During this section, there was some discussion concerning valves and fire flow. Justin Barlow gave some information regarding the condition of the water system as it currently is. Discussion continued and moved to water, then to electrical system and telephone, fences and guards, and then natural gas systems. Discussion was finished on page 276. Richard J. Barlow informed the board that with the work finished today, this project is about 66% complete. Mayor Philip Barlow asked if the Utility Department was going over parts of this that will make it go more quickly in the future. Richard J. Barlow replied that they had. He also gave an update that he had been in contact with Municode concerning the progress.

With no other business, meeting was adjourned at 6:03 P.M.

I verify that a copy of the notice and agenda was delivered to the Mayor and City Council members and posted at the City Hall, 320 E. Newel Avenue, Hildale, Utah and sent to the Utah State Public Meeting Notice coordinator.

Minutes were approved at the City Council Meeting on April 14, 2015.

Heber B. White

Heber White, Deputy City Recorder
