Stasia's Bakery started after a mid-life crisis. After spending 17 years working in the Internet industry, Stasia decided to change careers. She considered joining the circus, or becoming a sea lion rehabilitator, but her family suggested she find something closer to home. "Mommy, you make great cake!" Stasia's young daughter exclaimed, and the business was born. Five years later, Stasia offers premier event cakes. Her cakes have been served at presidential inaugurations, weddings, cotillions, holiday balls, Bar Mitzvahs and Bat Mitzvahs.
