Willard City, Utah 84340

Owner: WILLARD CITY
80 West 50 South
Willard, Utah 84340

Gentlemen:

Complying with your request for bids and the information and instructions to bidders and all documents related thereto, the undersigned hereby proposes to furnish all labor and materials and to perform all work for the **2015-2017SEWER CLEANING PROJECT** as required by and in strict accordance with drawings and specifications prepared for the same by Jones and Associates, Consulting Engineers, 1716 East 5600 South, South Ogden, Utah 84403, for the prices shown on the bidding schedule(s).

All work covered by the contract documents shall be completed as follows:

Phase 1	Shall be completed by May 31, 2016
Phase 2	Shall begin after July 1, 2016 and be completed by May 31, 2017

It is understood and agreed that the Contractor shall pay the Owner, as liquidated damages, the sum of \$1000.00 for each and every day that the work remains uncompleted after the elapse of the contract time, as provided.

A bid bond will not be required; however, the Contractor who is selected to perform the work shall promptly executed the Contract, secure worker's compensation insurance and furnish a satisfactory and faithful performance bond in the amount of 100% of the contract price and a payment bond in the amount of 100% of the contract price.

The Contractor shall warrant and guarantee that the material and workmanship of the improvements provided for hereunder, and every part thereof, remain in good condition for a period of one (1) year after the date of completion and acceptance by the Owner, which date shall be the date of the approval for the final estimate of the work as given by the Engineer, and the contractor agrees to make all repairs to, and maintain the improvements and every part thereof, in good condition during that time, at no cost to the Owner.

All provisions of the General Conditions of the Contract, EJCDC Document C-700, shall be applicable to this project except as may be modified by the joint written consent of both the Owner and the Contractor.

All City Public Works Standards are in effect for this project except where modified by this document. Any additional specifications or drawings included with this document are supplemental to the current Public Works Standards.

It is understood that the quantities stated are approximate only and are for the purpose of comparing bids and the payments will only be made on the basis of the above unit prices in the actual quantities, as determined by the Owner's Engineer in the completed work.

The undersigned have checked carefully all of the above figures and understand that the Owner will not be responsible for any errors or omissions on the part of the undersigned in making up this bid.

In submitting this bid, it is understood that the right is reserved by the Owners to reject any and all bids and award the contract with any or all bid items in the interest of the Owner. The Owner reserves the right to award separate bid schedules to separate bidders.

It is agreed that the bid may not be withdrawn over a period of thirty (30) days from the opening thereof.

Addenda Nos. As of Dec 1, 2015 (none) have been received

Respectfully submitted:
