

MEMORANDUM

TO: Members, Utah State Board of Education

FROM: Angie Stallings, Associate Superintendent
Policy and Communication

DATE: January 7, 2015

ACTION: Board Advisory Committee Review Task Force Recommendations

Background:

The Board's Advisory Committee Review Task Force presented recommendations to the Board during the Board's December 4, 2015 meeting. Recommendations included a resolution for establishing an advisory committee on equity of education services for students, and suggestions for changes to the Utah charter school statute.

Key Points:

The Board directed the Task Force to get feedback from the Coalition of Minorities Advisory Committee (CMAC), the State Charter School Board and other charter entities and bring that feedback to the Board.

Anticipated Action:

The Board will receive the feedback obtained from the Task Force and will consider the proposed resolution and changes to the charter school statute.
