

## April 30, 2015 400 North to 1600 North Geneva Road Meeting Responses

**How do you think the Vineyard development will impact Geneva Road?**

- More traffic
- Make it a lot more busy
- It will attract certain commercial types of businesses
- Vineyard Connector etc. RDA money, 8<sup>th</sup> North, Nitrogen

**What is your vision for the future of the Geneva Road Corridor?**

- Mostly retail or big box

**What concerns do you have for the Geneva Road area and how would you change them?**

- Businesses on Geneva Road create real jobs with real incomes
- Let's not replace with a t-shirt shop
- There are people who still work with the hands - we need jobs, too
- Pull-ins and parking on east side
- We need a Flying J on Geneva Road
- Dangerous with no shoulder or escape along Geneva Road - risk of serious accidents!
- We need small manufacturing

**What purposes do you see the Geneva Road area serving in the future?**

- Major commercial and industrial
- Commercial and industrial

**What types of transportation modes would you like to see on Geneva Road (sidewalks, bike paths, extra traffic lanes, signals, etc.)?**

- Put a turn light on 1200 North and 1600 West
- Extra traffic lanes
- We need more parking, not bike paths

**Are certain types of businesses missing from the Geneva Road area? How should the City attract businesses to the area?**

- Tee shirt shops (Paul Goodrich endorsement)
- Yes, use the media, advertise that these meetings are taking place

## May 14, 2015 400 North to 400 South Geneva Road Meeting Responses

**How do you think the Vineyard development will impact Geneva Road?**

**What is your vision for the future of the Geneva Road Corridor?**

**What concerns do you have for the Geneva Road area and how would you change them?**

*Notice to those who are affected by GP/rozone*

- I think you should leave it the way it is. The industrial businesses provide high paying jobs that can't be replaced by low paying jobs provided by movie theaters and hotels.

**What purposes do you see the Geneva Road area serving in the future?**

**What types of transportation modes would you like to see on Geneva Road (sidewalks, bike paths, extra traffic lanes, signals, etc.)?**

- Please include bike paths; more and more people are enjoying biking.

**Are certain types of businesses missing from the Geneva Road area? How should the City attract businesses to the area?**
