Motion is made by Yvonne to approve the November 2015 minutes as presented, seconded by Marilyn, all in favor, motion passed. Votes were cast as follows: Yvonne, aye; Curtis, aye; Marilyn, aye.

**Curtis**

- Curtis as obtained a letter from Master Meter regarding the reading of water meters. The meters will give a correct meter reading even if they do not register a reading when read electronically. A manual reading is an accurate reading. If the water meter has gone bad then the meter would slow down not speed up. (A copy of the Master Meter letter will be included with the December minutes). Yvonne has talked to Tim about his meter usage but according to Master Meter the reading is correct unless the meter appears to have slowed down. Stacey will print the letter and include with the next water billing.

**Yvonne**

- All the candy for the Christmas Eve candy sacks are here and we are ready to sack candy.

**Marilyn**

- Kendall Voorhees, Stephen Kent, and Michael Blair are lined up to be Santa's on Christmas Eve. She is still looking for one more Santa if the Council knows of anybody. Everybody is meeting at 5 pm at the Town Hall to get dressed and off to deliver candy.

**Nick**

- All the money for the wildland fires have come (Curtis comes in at 7:09 pm). The money that is owed to Darren Pead and Allsop has been paid. The remaining \$25,000 will be put into the Fire PTIF to help equip the new fire truck Sterling is getting later on in 2016.

**Mayor Cox**

- Mayor Cox asks Curtis about the Rural Water monies available for emergencies. These monies are for emergencies and Curtis thinks that we would qualify with the condition of our springs. Council will pursue this funding option and Curtis will keep ears open for other avenues.
