EXECUTIVE SECRETARY REPORT

- Mr. Baker brought to the Board's attention the recent spill on the Provo River. A rollover of a tractor trailer on icy roads caused around 1,000 gallons of oil to be spilled. Emergency response people were onsite and established booms to contain the spill. Due to their fast efforts none of the contaminant levels were above the levels that would pose a risk to the public. Communication was done well, and all were impressed at how quick the response was.

Eagle Mountain White Hills Funding Clarification: Ms. Nelson requested the Board amend the minutes from the June 25, 2014 Water Quality Board meeting for the funding request made by Eagle Mountain City for the White Hills project. The correct amounts of loan and grant

authorized should have shown the following: Design Advance of \$54,000, a hardship grant for \$598,000 and a loan in the amount of \$490,000 at 1% with all other conditions remaining in effect.

Motion: Following a discussion, Mr. Galecki made the motion to fund as changed. Mr. Pace seconded the motion. The motion unanimously passed.
