A special meeting was called to administer the oaths of office to the incoming councilmembers.

Mayor Vincent welcomed those in attendance and turned the time over to Kirk Morgan to administer the oaths.

Mr. Morgan administered the oath of office to Jason Roberts, the newly appointed City Administrator. He then administered the oath to Ruth Jensen, Alden Farr and Mark Thompson who were recently re-elected as councilmembers.

Mayor Vincent said the City is in great financial condition due to Mayor Fife and the Council and past mayors. In the future, the City needs to grow and welcome more businesses into the community. Brigham City offers many great things and there are several businesses that are looking at coming to Brigham City.

Mayor Vincent said he is very pleased that the three incumbent councilmembers were re-elected and that he will be working with them for another two years. He expressed appreciation to them for their hard work and dedication to the City. He felt that in the last two years the Council has gained a lot of ground that there is a lot of momentum. Holding a City office is an ungrateful job. A group of citizens say things about them that are not true. Mayor Vincent recognized their values, their honesty and their desire to service Brigham City. He added that he is excited for the future and to move forward.

Mayor Vincent expressed his appreciation to Jason Roberts. He felt that he will make a great City Administrator. Mr. Roberts has great values and will lead in this office with fidelity, honesty and fairness.

The meeting adjourned at 12:05 PM.
