

Grant program needs your feedback!

UTAH COUNTY **Community Development** BLOCK GRANT

The Utah County Community Development Block Grant (CDBG) Program is holding a public comment period and public meeting to obtain citizen feedback on the Program's 5-year Consolidated Plan. We're particularly interested in comments from moderate and low income Utah County residents who do not reside in Provo or Orem.

Utah County will receive approx. \$1.2M for the 2011-12 program year that will be granted to cities and non-profits in Utah County for community development projects.

Grant money could go to a project in your area, and we want to know what you think about the needs in your community. To obtain a draft of the Utah County CDBG Consolidated Plan, call (801) 229-3800 or visit www.mountainland.org/UCCDBG.
