2  
3     6:06:24 PM The agenda for the City Council Meeting was reviewed.  
4

5     6:08:58 PM Council Member Brad Christopherson referenced an email from former Mayor  
6     Janice Auger Rasmussen regarding interfaith service initiatives in conjunction with the 20<sup>th</sup>  
7     Anniversary of the City and the Taylorsville Dayzz event. It was agreed that each Council  
8     Member will contact Ms. Auger directly regarding projects for service initiatives in their  
9     Districts.  
10

11     6:09:41 PM Council Member Kristie Overson cited her draft of the “Council Corner” article for  
12     the newsletter that was recently emailed to Council Members. She asked that the tentative article  
13     be reviewed by the Council so that it may be submitted to PIO Tiffany Janzen by tonight.  
14

15     6:11:03 PM Council Member Kristie Overson cited banners that are still displayed on the St.  
16     Marks Emergency Center facility. She inquired whether the banners are permanent or if there is  
17     a restriction that requires them to come down at a certain time.  
18

19     6:10:09 PM City Administrator John Taylor referenced timelines for banners on new businesses  
20     and said those on the new Emergency Center building should be coming down soon.  
21

22     6:11:31 PM Council Member Kristie Overson cited an email received from LARP Committee  
23     Chair Keith Sorensen regarding preparations needed for the “Remember Me Garden.” She asked  
24     for clarification involving tasks for which the City is responsible. Mr. Taylor indicated that Lyle  
25     Hansen is coordinating the water hookup along with some other tasks. He noted that Council  
26     Member Dan Armstrong is also involved in the process.  
27

29     he can do the tilling. He noted that sprinkler pipes will go in after the tilling. He agreed to advise  
30     the Council of specific dates when assistance is needed. He stated that he has 100 scouts  
31     available for service projects on Arbor Day. Mr. Taylor indicated that the City has received  
32     many requests from large youth groups for service hours. He cited a need to determine large-  
33     scale projects where help is needed. Council Member Armstrong suggested doing service in  
34     parks with the use of a dumpster for clean ups. Mr. Taylor explained that the City is able to help  
35     facilitate any known service projects by providing dumpsters, trash bags, etc. He observed that  
36     there is a need to focus on specific needs within neighborhoods, i.e. roof repair, landscaping, etc.  
37

39     youth group who would like to give service in the City. She observed that it is great to have so  
40     many who are expressing interest in community service opportunities. Mr. Taylor suggested that

1 it is not a good idea for the City to direct projects that keep people in public right-of-ways. He  
2 reiterated that the focus for service projects should be inside neighborhoods.

3  
4 6:15:21 PM Chair Burgess cited a need for help with the Neighborhood Clean-up Event on  
5 Arbor Day. Mr. Taylor observed that this is a great opportunity and suggested that City officials  
6 need to sit down and figure out how to best facilitate and direct community service projects.

7
