Total Operational Expansion Available \$2,785,807

Personnel Existing 3% total impact	Personnel Recommended	On-going Operations	Set Aside
\$788,446	\$595,230	\$635,131	\$767,000
Total on-going \$2,018,807			1.5 percent of General Fund set aside as contingency

New Budget Personnel Requests

Requested Position	Explanation	Ongoing Impact	On-going General Fund	One-time Impact
Associate Engineer	Meet demand for stepped up CIP workload and development growth	\$77,000*	\$15,400	\$3,300
Building Inspector	Meet demand of new construction	\$85,500	\$85,500	\$22,400
Lead Mechanic	Meeting workload demands	\$79,500*	\$58,830	
(3) Police Officers	Allow for more proactive vs. reactive law enforcement & equipment	\$256,500	\$256,500	\$120,000
PW Management Analyst	Process evaluation and data gathering	\$95,800*	\$19,160	
PW Technician	Water distribution meet system maintenance needs	\$66,750*	\$0	
	Personnel Total on-going	\$661,050		
	Equipment one-time			\$145,700
	On-going cost to General Fund		\$435,390	

Non-benefitted Personnel Requests

Requested Position	Explanation	Ongoing	One-time
HR Intern	Assist with day-to-day and projects	\$8,100	
Planning Intern	Assist with projects	\$10,000	
DS Technician	Assist with office work for building inspection	\$38,000	
UTOPIA Service Specialist	Help implement a go forward plan	\$18,000	
Additional Available for Flex	Adjust pay or staffing as needed	\$55,740	
Variable Hour Attorney	Help with department workload	\$30,000	
	Total	\$159,840	

City Manager

Item	Explanation	On-going	One-time
Council Meeting Broadcasting	Annual licensing fees for software	\$4,800	
FTR Audio Backup	Allows searching of audio files		\$5,000

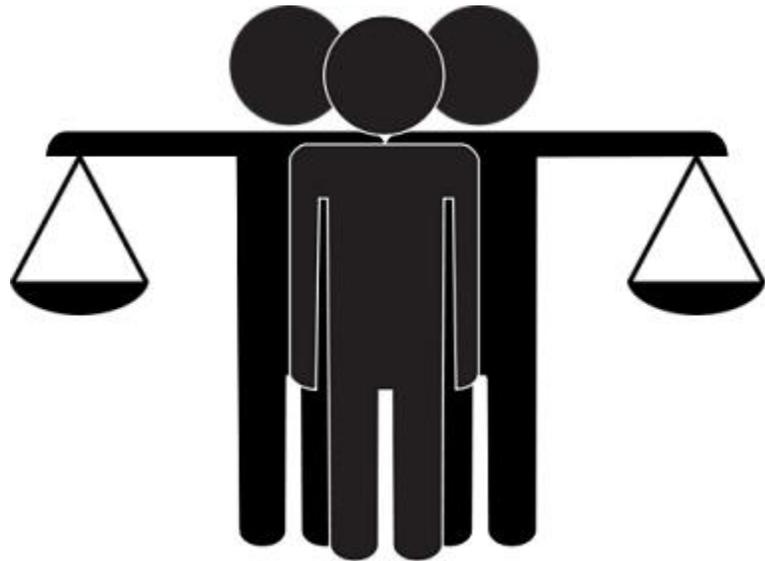

Administrative Services

Item	Explanation	On-going
Tuition Reimbursement	Assist with tuition costs for job related courses	\$40,000
In-house Training	Assist with costs of presenting in-house training	\$30,000

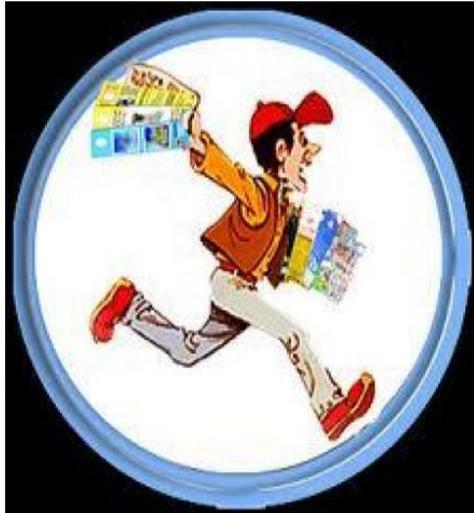

Legal Services

Item	Explanation	On-going	One-time
Indigent Counsel	Cover expected increase in indigent defense	\$15,000	

Development Services

Item	Explanation	On-going	One-time
Enhanced Noticing	Cover costs of noticing additional distances	\$12,000	
My Sidewalk Software	Cover cost of annual membership/subscription	\$4,000	
Online City Code System	Make the City Code accessible on-line	\$14,275	\$38,790

Police

Item	Explanation	On-going	One-time
Spillman Citation Module	The citation module will import needed data to court	\$8,056	\$60,306
Armor Plated Vests	Provide protection from larger caliber bullets		\$15,120

Fire

Item	Explanation	On-going	One-time
Ambulance Stretchers	Provide for systematic replacement	\$30,000	\$100,000
Cardiac Monitors	Provide for systematic replacement	\$30,000	
Extrication Equipment	More engines with extrication equipment		\$20,000

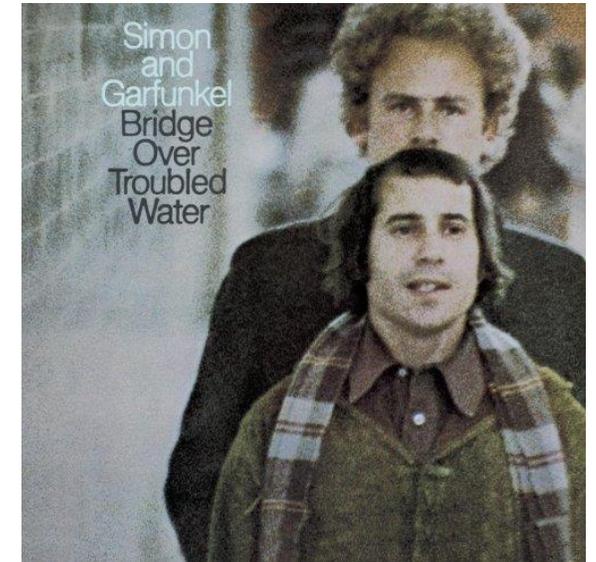

Public Works - Parks

Item	Explanation	On-going	One-time
Murdock Canal Trail	Slurry Seal-Orem Portion	\$45,000	

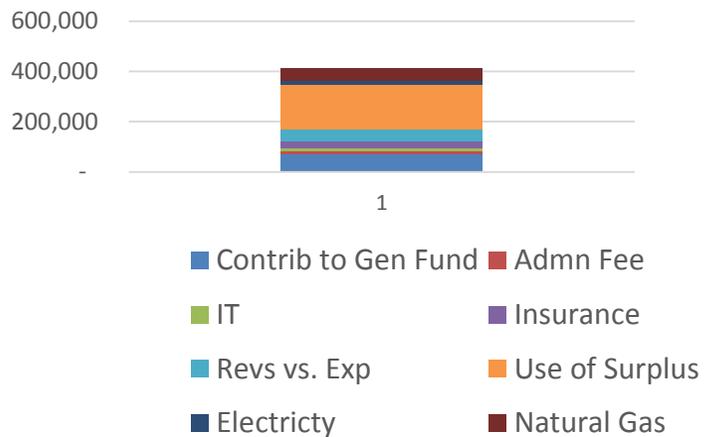

Recreation

Item	Explanation	On-going	One-time
Operational Shortfall	Cover shortfall of revenues and expenses	\$402,000	

Why the Gap?

Components of Shortfall

General Fund Direct Services	\$69,681
Admn. Fee	12,955
IT	14,370
Insurance	25,000
Revs vs. Exp	50,000
Appropriation of surplus	175,000
Electricity	25,000
Natural Gas	48,000

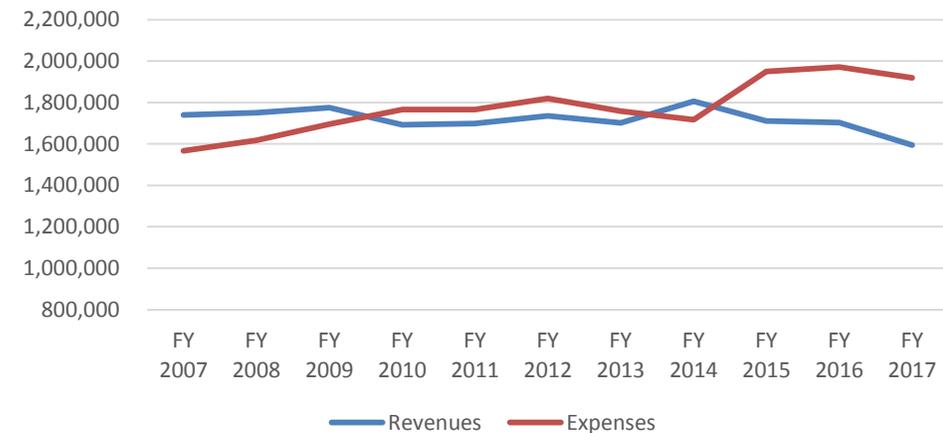

Rec Fund Deficit \$402,000

- Rec. Fund Revenue and Expense Gap

1. What is the City's policy going forward?
2. How much of the operations are fees to cover?
3. How does the City intend to keep the facilities viable?
4. In the past the City has funded staff salaries to the tune of about \$400,000 per year.

Total Rec. Fund Revs & Exp

One-time Equipment Funded through reserves

Item	Description	Impact
Electric Vehicle Charging Stations	Provide two charging areas at City Center	\$30,000
Library Document Station	Wireless printing-fee for printing	\$9,955
Office Furnishings Library	On-going furnishings upgrade	\$7,531
Study Room Furniture	Provide furniture for new study rooms	\$10,400
Fitness Center Sewer Lateral	Complete replacement of sewer lateral	\$50,000

Strategic studies

Item	Description	Impact
City Fee Study	Comprehensive review of City fees	\$62,000
Recreation Center	How to maximize space and function & Architectural services for proposed remodel	\$100,000

FY 16 Contingency

Item	Description	Impact
Equipment for New Fire Truck	Necessary hoses, axes, etc. for new vehicle	\$60,000

IT Highlights

Fiscal Year 2016-2017

IT Highlights for FY 2015/16

- Software development
 - **Mobile**
 - Pressure regulating valve data collection
 - Lift Station monitoring
 - Police/Court Bail collection
 - Purchase order approval
 - Travel authorization
 - Time card entry and approval (in Progress)
 - Fire inspections
 - Building permit inspections
 - Engineering CIP inspections
 - **Desktop**
 - Rewritten several applications using new software development technologies
 - Implementing a customer ID that will link various accounts to one customer (by July 1st)

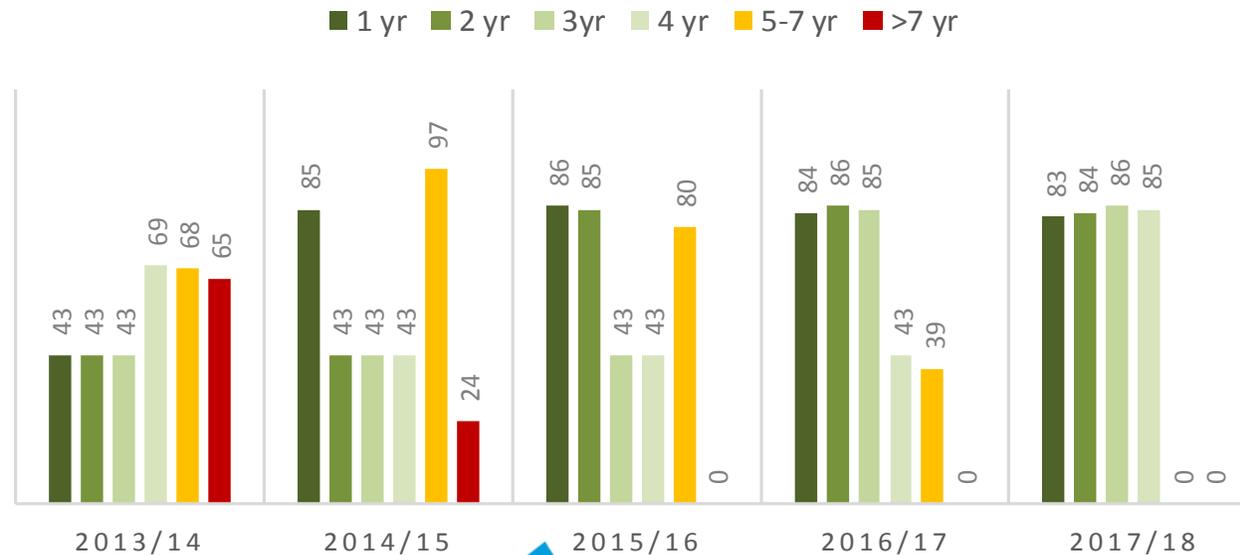

IT Highlights for FY 2015/16 (continued)

- Computer Rotation

- Will replace 86 computers this year by June 30th
- Next FY we will replace 84 computers
- After FY 2016/17, all computers will be on a 4-year rotation schedule

COMPUTER AGE DISTRIBUTION BY FISCAL YEAR

IT Highlights for FY 2015/16 (continued)

- Network

- **Wireless**

- Installed wireless at the Lakeside park ball fields
 - Extended wireless to auxiliary buildings at the treatment plant
 - Extended wireless access throughout the grounds of the cemetery for in-field access to lot information
 - Extended Wireless access at the fitness center

- **Wired**

- Upgraded 480 Ethernet ports in the main building from 1 gbit/s to 10 gbit/s uplink speeds and 1 gbit/s to the desktop from 100 mbit/s.
 - Installed 10 gbit/s links to all remote sites that are connected with fiber.

Funding requests for next fiscal year

- **Off-site Data Backups and Disaster Recovery**

- This will allow us to backup our data to a Network Operations Center in St. George every night
- Will allow us to protect our data from a catastrophic local disaster
- The technology will allow us bring important services on-line from the remote location

One-time cost for equipment **\$28,300**

Ongoing costs per year for the fiber connection and network services **\$15,600/yr.**

- **Replacement laptops**

- Replacement of laptops that are used as primary office computers and are not currently on next years rotation schedule

Costs for 10 laptop replacements next fiscal year **\$15,000**
