

REQUEST FOR PROPOSAL TO SERVE AS BOND COUNSEL FOR:

SALT LAKE CITY MOSQUITO ABATEMENT DISTRICT

INTRODUCTION

The Salt Lake City Mosquito Abatement District (SLCMAD) is an independent local district established in 1924. The District is in the process of expanding its services to the public. This expansion will require the District to increase its staff and upgrade its facilities. The Board of Trustees of SLCMAD have determined that best option for future-proofing the District and its services is to sell the current facilities and relocate to a new location. The District has recently undergone the Truth in Taxation process and has received an increase in generated funding to allow for future growth. The District has retained the professional services of General Legal Counsel, Financial Advisors, Realtors, Architects, and Engineers; however, we foresee a need for the services of Bond Counsel as well. The District foresees the issuance of an estimated \$6 million bond for the purpose of purchasing land and building new facilities. The District has engaged Zions Public Finance to assist with the proposed financing and has asked that they provide assistance in the hiring process for Bond Counsel.

Scope of the Work

Bond Counsel will be tasked with helping the District navigate the legal and obligatory process involved with issuance of bonds to ensure compliance with Utah law, assist in the preparation of the disclosure documents (if needed), and arrange for the closing of the transaction. The duration of this assignment will extend through the closing of this transaction.

Basis for Selection

The District intends to select the Bond Counsel that exhibits the strongest ability to assist it in achieving its overall goals. Bond Counsel fees, although important, will not be the primary factor in the Districts' selection. The District retains sole discretion in this decision.

Selection Process

The selection process will be done in three stages: 1) selection of up to two highly qualified firms based on the submission of a Proposal to Provide Bond Counsel Services; 2) Interview of the highly qualified firms, and 3) contract and fee negotiations.
