

**SOUTH POINTE MEDICAL & DENTAL PLAZA  
SIGN PERMIT  
26 WEST MAIN  
PLANNING COMMISSION MEETING  
AUGUST 11, 2016**

South Pointe is requesting two signs protruding 40" out from the current building. They will have signs that are 24"X 36". They want to be able to have permanent signs so they can get away from using the banner signs. This should be a nice addition for these businesses.
