

*Ivins City Finance Report
for
Public Safety Vehicle Purchase*

Date: August 18, 2016

Purpose: Purchase of 2015 Ford F-150 for the Public Safety Department

Recommendation: Approve the Purchase

Background:

The Law Enforcement Budget includes the purchase of a new vehicle.

The City can purchase a 1-year old Ford F-150 with approximately 13,000 miles from Santa Clara City for \$31,000. The amount is in line with the KBB value of this vehicle, matches the trade-in value from Ken Garff Ford, and is within the budgeted amount.

Staff recommends the City Council authorize the purchase of a new vehicle for the Law Enforcement.

Respectfully,

Wally Ritchie
Director of Finance
