Re: Utah 911 Committee Nomination

Dear Mr. Hunt,

I am writing to give a recommendation for Kevin Rose to fill a committee seat as the Weber County Representative on the Utah 911 Committee. I know that Kevin would be a great addition to the committee, in that he will be able to provide relevant and actionable information that can be used to help make great decisions for the committee.

Kevin Rose currently represents Weber Area Dispatch 911 and Emergency Services District as the Operations Manager. Kevin has a substantial amount of knowledge of 9-1-1 technology and public safety communications and has worked with many agencies across the Wasatch Front as well as for the State as the Statewide Interoperability Coordinator. He is dedicated to making sure that PSAPs along the state have cutting edge technologies to be effective in serving the public.

Based on the above, and my knowledge of the work ethic he has, Kevin Rose would be a valuable addition to the Utah 911 Committee. Thank you for your time and consideration on this matter.

Sincerely,

Tina L. Mathieu  
Executive Director
