

ADMINISTRATIVE REPORT

Presented to the City Council – September 7, 2016

City of Taylorsville
2600 West Taylorsville Boulevard
Taylorsville, Utah 84129

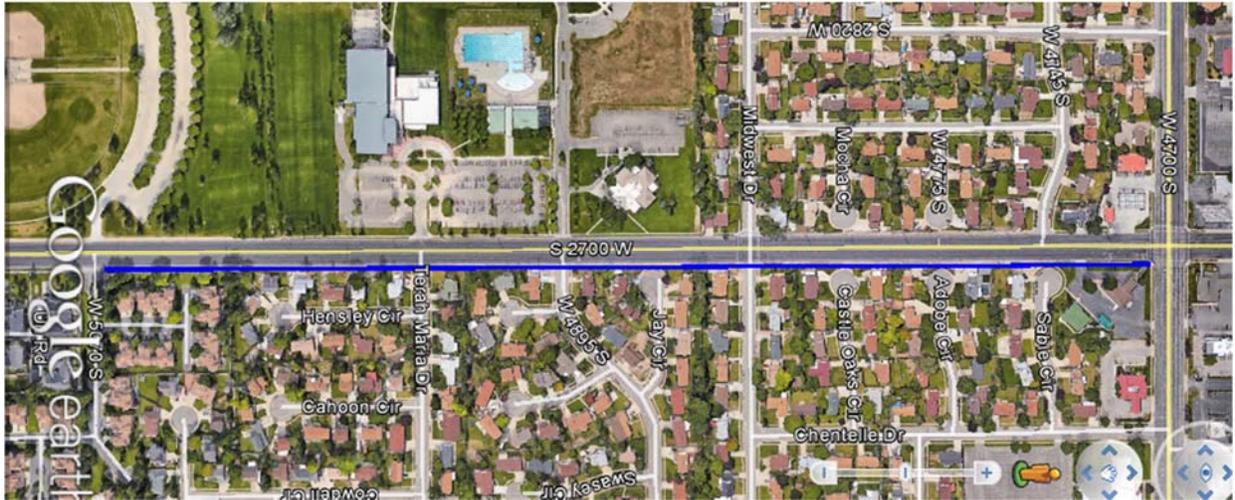

2016

PROJECTS

Information from Engineering Department

2700 East Wall:

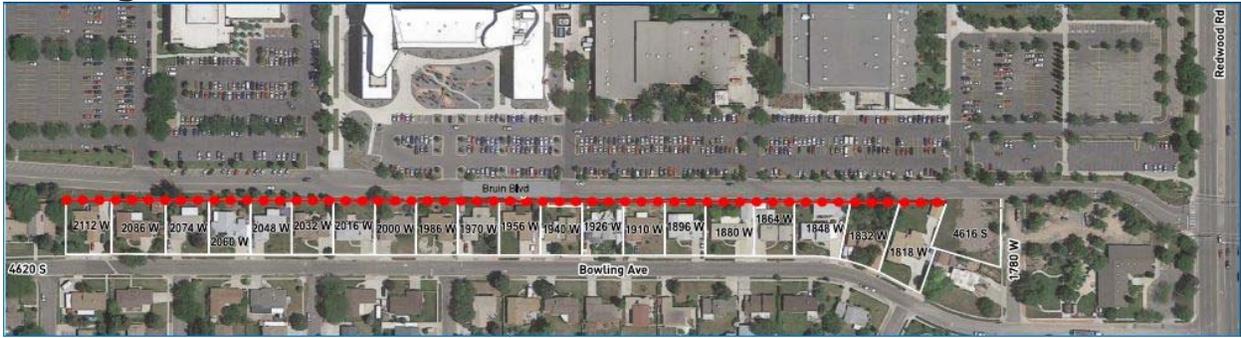

Approximate Project Extents

Existing Walls East Side of 2700 West

This project is for the construction of the new wall along the east side of 2700 West Road, South of 4700 South. The project will replace the existing variety of fencing with a 6' stamped concrete sound wall identical to the wall that was placed this year on the west side of the street. Currently property owners are being contacted to sign access agreements for the placement of the wall.

Bowling Avenue Wall:

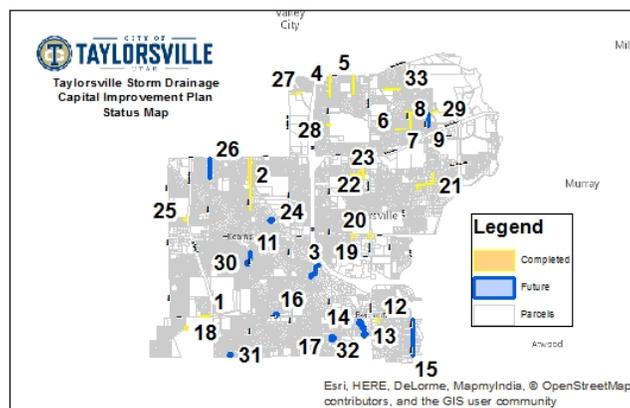

This project installed a precast concrete decorative wall between the Salt Lake Community College campus and a section of the residents along Bowling Avenue. There are a few punch list items on this project to address and final payment should be issued.

Unstained Wall

1300 West and Bennion Storm Water CIP:

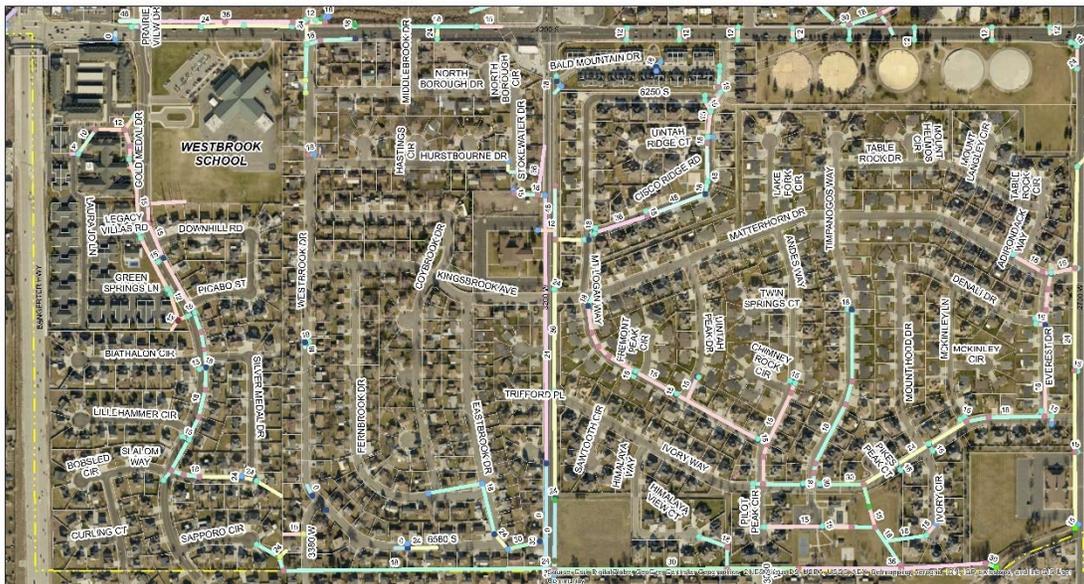

This project will install curb, gutter and sidewalk along the east side of 1300 West between Bennion Blvd and 6460 South and along Bennion Blvd between 1530 West and 1300 West. This project has been identified on our capital improvement plan and is identified in the following map as project #15. This project is currently in design phase

and project plans and specifications are scheduled to be done this summer and construction will start spring of 2017.

Strom Drain Inspection:

The city is currently having 3d scanning of portions of the storm drain completed in the southwest corner of the City. This location corresponds with SLCO cleaning the storm drain the month before. The scanning for this project has been completed and linked to the City's GIS data. Currently the scans are being evaluated for potential areas in the storm drain that need to be addressed.

**STORM DRAIN
CLEANING AND INSPECTION**

Park Projects:

The city is in the process of planning/coordination and design on park facilities for Cabana Club and Vista Park.

Cabana Club

Vista Park

Street Lighting:

The city is in the process of upgrading street lighting at crosswalks within the city. Older street lights are being replaced with more efficient and brighter LED bulbs. Mid-block crossings that correspond with the safe school routes established by the Student Neighborhood Access Program (SNAP) are of particular focus for upgraded or new lighting.

Similar Rectangular Rapid Flash Beacon (RRFB) that were installed on 2700 West next to Bennion Junior High School will be installed on the two mid-block cross walks on 2700 West, one just south of 5280 South and the other just north of Central Park Way.

Upcoming Projects:

Information from Taylorsville Engineering Department

Storm Sewer System Improvements Project (EPA Grant Program)

In order to effectively manage the storm drainage system to maintain storm water quality, plan for capital improvement projects, and minimize catastrophic events it is critical to know where the pipes, manholes, boxes, open channels, and other storm drainage facilities are located. The project will use a camera with GPS locator to find locations of the storm drain in high priority areas; this is based on the age of the infrastructure, knowledge of the system, and areas of past flooding. This information will be used to obtain and maintain infrastructure quality.

This project has multiple benefits for the storm water system that include updated storm water inventory with GIS, removal of silt and debris from the storm water pipes, added maintenance to the storm water system, adding devices to help clean the storm water, disconnecting storm drainage from irrigation systems and reduce flooding in areas.

UDOT UPDATES

Information from UDOT

I-215 reconstruction continues in both directions from 4700 South to S.R. 201. Please be aware of the following project activities and upcoming traffic impacts:

Mainline I-215

- Concrete paving continues between 4700 South and 3500 South. Concrete paving operations are now moving northbound in the median from 3500 South to S.R. 201.
- Traffic is reduced to two lanes in each direction during overnight hours and on weekends. Drivers should plan ahead to avoid delays.

4700 South Interchange

- The eastbound 4700 South on-ramp to northbound I-215 is still closed through this week for concrete reconstruction. Nearby businesses and residents should expect additional noise and vibration during the construction. **Drivers should plan ahead and use an alternate route.**
- Work on new signals is currently suspended until after the Labor Day holiday.
- Crews will pour concrete on a portion of the eastbound 4700 South ramp to southbound I-215 early next week.
- Drivers should expect long-term traffic shifts on I-215 ramps and overnight lane closures on 4700 South, beginning at 8 p.m. nightly.

3500 South Interchange

- Crews continue bridge deck demolition through this week on the I-215 bridge over 3500 South. This work will take place between 7 p.m. and 5 a.m., and nearby businesses and residents should expect additional noise and vibration during the construction.
- Drivers should expect overnight lane closures on 3500 South through the beginning of next week while crews work on the bridge. **Please plan ahead and use an alternate route.**

As a reminder, travel lanes are open in each direction during daytime hours Monday through Friday. All lanes are shifted and narrower throughout the work zone, so drivers should use caution and adhere to the 60 mph speed limit. Please plan ahead and visit <http://udottraffic.utah.gov> for the latest traffic information before beginning your trip through the area.

Please contact the project team with any questions at 888-528-WORK or email us at I-215@utah.gov.

ENVIRONMENTAL TRAFFIC STUDY AT BANGERTER 5400 & SOUTH

Information from UDOT

The 5400 South study has been delayed compared to the other intersections (7000 S, 9000 S, and 11400 S), but things are progressing. UDOT is starting to meet with property owners of businesses that may be impacted by construction. Three public meetings were held in May 2016.

For more information, please contact 888-766-7623 or email at Bangerter@utah.gov, or www.udot.utah.gov/go/bangerterstudy.

2016 STATE AND PRESIDENTIAL ELECTIONS

Information from City Records Office

The General Election will be held on Tuesday, November 8, 2016. Early Voting will be held on weekdays from October 25 – November 4 in room 110 at Taylorsville City Hall. For more information, contact Cheryl Peacock Cottle at 801-963-5400.

WASATCH FRONT WASTE & RECYCLING DISTRICT

Information from Wasatch Front Waste & Recycling District

Landfill Vouchers – residents can pick up two free landfill vouchers at the receptionist desk on the second floor at city hall. These vouchers are good for loads taken to the Salt Lake County Landfill (6030 West California Avenue) Monday – Saturday 7:00 a.m. – 5:00 p.m.

Taylorville continues to show strong support in recycling efforts. 19.8% of all recyclable materials in Taylorville, including glass and green waste, has been diverted from the landfills this year, compared to 17.31% District-wide. At this time last year, the Taylorville diversion rate was 18% (13.8% District-wide), and in 2014 it was 16% (18.1% District-wide).

Green Waste Subscribers - 541

TAYLORSVILLE FOOD PANTRY

Information from Administration

The Taylorville Food Pantry is open to all Taylorville residents who are in need of food. The Taylorville Food Pantry is located at 4775 South Plymouth View Drive (behind the Taylorville Senior Center).

Hours: Monday: 1 - 3 p.m., Wednesdays 4 - 6 p.m. and Saturday: 10 a.m. - noon.

The Taylorville Food Pantry is seeking volunteers who have availability to help during the operating hours. Contact the Taylorville Food Pantry at 801-815-0003 for additional information.

Small dogs (under 30 lbs.): \$100

Puppies: \$150

Adult Cats: \$30 (two for \$40)

Kittens: \$40 (two for \$50)

Adoption fees include first set of vaccinations, rabies vaccination and sterilization surgery, when necessary. A microchip may be added for \$20. License fees may also be collected if the new adopter resides within Taylorsville or West Valley City limits.

West Valley City and Taylorsville Animal Services proudly serves the City of Taylorsville residents. For questions, concerns or to report a stray animal, call 801-965-5800. For after-hours service, call 801-840-4000.

TAYLORSVILLE-BENNION HERITAGE CENTER

Information from Historic Preservation Committee

This unique local museum is in the former Jones home. Inside are period furnishings typical of the early 19th century, the approximate time the home was built. Come listen to the antique Sonora Victrola; see the original claw foot bathtub and pull chain water closet. Take a peek at the old coal stove from the "Good Old Days" era, and listen to the docent tell of

Taylorsville/Bennion history since 1848. Check out the Research room, where you may find biographies about your local ancestors. In celebration of our city's 20th Anniversary, the Historic Preservation Committee will be featuring different aspects of our history. The Taylorsville Bennion Heritage Center is spotlighting the diversities of our city. The Taylorsville Bennion-Heritage Center at 1488 West 4800 South provides free tour for families, scout troops, or fieldtrips. Contact Joan at 801-265-8478 for more information.

GRAFFITI BEAUTIFICATION PROGRAM

Information from Administration

If a residence is attacked by graffiti, the homeowner can contact the City of Taylorsville at (801-963-5400). The homeowner will then receive a case number and a voucher that is good for up to one gallon of free paint matching the color of the surface where the graffiti was left. The voucher is redeemable at KWAL Paint located at 5640 South Redwood Rd. Taylorsville, Utah. We appreciate our partnership with KWAL Paint in this beautification program.

COMMUNITY GARDEN

Information from the LARP Committee

The *Taylorsville Community Gardens* have been growing and producing food for 20 years and Toni Lenning works hard to keep our gardens beautiful and vibrant.

All garden spaces are leased out for the year. If you have any questions about the community garden, contact td3lenning@qwestoffice.net or call 801-265-1328.
