Grant of Franchise

2.1 Grant. The Franchising Authority hereby grants to the Grantee a nonexclusive Franchise which authorizes the Grantee to construct and operate a Cable System in, along, among, upon, across, above, over, under, or in any manner connected with Public Ways within the Service Area, and for that purpose to erect, install, construct, repair, replace, reconstruct, maintain, or retain in, on, over, under, upon, across, or along any Public Way such facilities and equipment as may be necessary or appurtenant to the Cable System.

2.2 Authority Over Non-Cable Services. To the extent allowed by law, the Franchising Authority shall retain the authority to regulate and receive compensation for Non-Cable Services. If the Grantee is allowed by law and chooses to provide Non-Cable Services, the Grantee and the Franchising Authority will negotiate the terms and fees in accordance with applicable law.

2.3 Other Ordinances. The Grantee agrees to comply with the terms of any lawfully adopted generally applicable local ordinance, to the extent that the provisions of the ordinance do not have the effect of limiting the benefits or expanding the obligations of the Grantee that are granted by this Franchise. Neither party may unilaterally alter the material rights and obligations set forth in this Franchise. In the event of a conflict between any ordinance and this Franchise, the Franchise shall control, provided however that the Grantee agrees that it is subject to the lawful exercise of the police power of the Franchising Authority.

Each and every term, provision or condition herein is subject to the provisions of State law, federal law, and City ordinances and regulations enacted pursuant thereto. Notwithstanding the foregoing, the City may not unilaterally alter the material rights and obligations of Grantee under this Franchise.

2.4 Competitive Equity

(A) Overview.

The Grantee and the Franchising Authority acknowledge that there is increasing competition in the video marketplace among cable operators, direct broadcast satellite providers, telephone companies, broadband content providers and others; new technologies are emerging that enable the provision of new and advanced services to residents of the Franchising Authority; and changes in the scope and application of the traditional regulatory

framework governing the provision of video series are being considered in a variety of federal, state and local venues. To foster an environment where video service providers using the public rights-of-way can compete on a competitively neutral and nondiscriminatory basis; encourage the provision of new and advanced services to the residents; promote local communications infrastructure investments and economic opportunities in the Franchising Authority; and provide flexibility in the event of subsequent changes in the law, the Grantee and the Franchising Authority have agreed to the provisions in this Section, and they should be interpreted and applied with such purposes in mind. Furthermore, if the Franchising Authority authorizes or permits a competitor to Grantee to operate within the Franchise Area, it shall do so on condition that such competitor or entity indemnify and hold harmless the Grantee for and against all costs and expenses incurred in strengthening poles, replacing poles, rearranging attachments, placing underground facilities, conducting inspections and generally in creating infrastructure improvements for the other entity.

(B) New Video Service Provider

Notwithstanding any other provision in this Agreement or any other provision of law, if any Video Service Provider (“VSP”) (i) enters into any agreement with the Franchising Authority to provide video services to subscribers in the Franchising Authority, or (ii) otherwise begins to provide video services to subscribers in the Franchising Authority (with or without entering into an agreement with the Franchising Authority), the Franchising Authority, upon written request of the Grantee, shall permit the Grantee to construct and operate its Cable System and to provide video services to subscribers in the Franchising Authority under the same agreement and/or under the same terms and conditions as apply to the new VSP. The Grantee and the Franchising Authority shall enter into an agreement or other appropriate authorization (if necessary) containing the same terms and conditions as are applicable to the VSP within sixty (60) days after the Grantee submits a written request to the Franchising Authority.

(C) No Written Agreement between Franchising Authority and Third Party VSP

If there is no written agreement or other authorization between the new VSP and the Franchising Authority, the Grantee and the Franchising Authority shall use the sixty (60) day period to develop and enter into an agreement or other appropriate authorization (if necessary) that to the maximum extent possible contains provisions that will ensure competitive equity between the Grantee and other VSP’s, taking into account the terms and conditions under which other VSP’s are allowed to provide video services to subscribers within the boundaries of the Franchising Authority.

(D) Effect of this Section on the Overall Agreement

Any agreement, authorization, right or determination to provide video services to subscribers in the Franchising Authority under any provision under this Section 2.3 shall supersede this Agreement, and the Grantee, at its option, may terminate this Agreement or portions thereof, upon written notice to the Franchising Authority, without penalty or damages.

(E) VSP Defined

The term “Video Service Provider” or “VSP” shall mean any entity using the public rights-of-way to provide multiple video programming services to subscribers regardless of the transmission method, facilities, or technology used. A VSP shall include but is not limited to any entity that provides cable services, multichannel multipoint distribution services, broadcast satellite services, satellite-delivered services, wireless services, and Internet Protocol based services.

2.5 Term. The Franchise granted hereunder shall be for an initial term of Fifteen (15) years commencing on the effective date of the Franchise as set forth in subsection 8.6, unless otherwise lawfully terminated in accordance with the terms of this Franchise.

SECTION 3

Standards of Service

3.1 Conditions of Occupancy. The Cable System installed by the Grantee pursuant to the terms hereof shall be located so as to cause a minimum of interference with the proper use of Public Ways and with the rights and reasonable convenience of property owners who own property that adjoins any of such Public Ways.

3.2 Restoration of Public Ways. If during the course of the Grantee's construction, operation, or maintenance of the Cable System there occurs a disturbance of any Public Way by the Grantee, Grantee shall replace and restore such Public Way at Grantee's expense to a condition reasonably comparable to the condition of the Public Way existing immediately prior to such disturbance.

3.3 Relocation for the Franchising Authority. Upon its receipt of reasonable advance written notice, to be not less than ten (10) business days, the Grantee shall at its own expense the Grantee shall protect, support, raise, lower, temporarily disconnect, relocate in or remove from the Public Way, any property of the Grantee when lawfully required by the Franchising Authority by reason of traffic conditions, public safety, street abandonment, freeway and street construction, change or establishment of street grade, installation of sewers, drains, gas or water pipes, power lines or other municipal utility infrastructure, or any other type of public structures or improvements which are not used to compete with the Grantee's services. In the event that Franchise Authority requests relocation efforts from Grantee for reasons not included in this paragraph, or for aesthetic reasons, then Franchise Authority agrees to pay all costs associated with relocation. The Grantee shall in all cases have the right of abandonment of its property.

In the event of an emergency, the Franchising Authority shall notify the Grantee, who shall immediately respond to the emergency. Should the Grantee be unable to respond in a timely manner, the Franchising Authority shall take such action as is necessary to meet the emergency. If public funds are available to any person using such street, easement, or right-of-way for the purpose of

defraying the cost of any of the foregoing under this Section 3.3, then the Franchising Authority shall make application for such funds on behalf of the Grantee

3.4 Relocation for a Third Party. The Grantee shall, on the request of any Person holding a lawful permit issued by the Franchising Authority, protect, support, raise, lower, temporarily disconnect, relocate in or remove from the Public Way as necessary any property of the Grantee, provided: (A) the expense of such is paid by said Person benefiting from the relocation, including, if required by the Grantee, making such payment in advance; and (B) the Grantee is given reasonable advance written notice to prepare for such changes. For purposes of this subsection, “reasonable advance written notice” shall be no less than ten (10) business days in the event of a temporary relocation, and no less than one hundred twenty (120) days for a permanent relocation.

3.5 Trimming of Trees and Shrubbery. The Grantee shall have the authority to trim trees or other natural growth in the public way in order to access and maintain the Cable System. Nevertheless, nothing in this paragraph 3.5 shall authorize the Grantee to trim trees or other natural growth not located in the public way without the prior written consent of the owner of such trees or other natural growth.

3.6 Safety Requirements. Construction, operation, and maintenance of the Cable System shall be performed in an orderly and workmanlike manner. All such work shall be performed in substantial accordance with generally applicable federal, state, and local regulations and the National Electric Safety Code. The Cable System shall not endanger or unreasonably interfere with the safety of Persons or property in the Service Area.

3.7 Aerial and Underground Construction. Prior to construction, in each case, all applicable permits shall be applied for and granted and all fees shall be paid.

In those areas of the Service Area where all of the transmission or distribution facilities of the respective public utilities providing telephone communications and electric services are underground, the Grantee likewise shall construct, operate, and maintain its Cable System underground provided that such underground locations are actually capable of accommodating the Grantee’s cable and other equipment without technical degradation of the Cable System’s signal quality.

In any region(s) of the Franchise Area where the transmission or distribution facilities of the respective public or municipal utilities are both aerial and underground, the Grantee shall have the discretion to construct, operate, and maintain all of its transmission and distribution facilities, or any part thereof, aerially or underground. Nothing contained in this Section shall require the Grantee to construct, operate, and maintain underground any ground-mounted appurtenances such as customer taps, line extenders, system passive devices, amplifiers, power supplies, pedestals or other related equipment

3.8 Access to Open Trenches. The Franchising Authority agrees to include the Grantee in the platting process for any new subdivision.

3.9 Build Out Discretion. Nothing in this Agreement requires Grantee to build to all areas of the Franchise Authority. Grantee retains the discretion to determine the scope, location, and timing of the design and construction of its network, as well as the windows during which residential Subscribers may enroll for services, so long as such decisions are consistent with this Section. Grantee, at its sole discretion, may determine separately defined geographic areas within the Franchise Area where its System will be deployed, services will be offered, or facilities will be upgraded.

3.10 Subscriber Charges for Extensions of the Cable System. The Grantee may, at Grantee's discretion, extend the Cable System to Subscriber(s) in the Service Area if the Subscriber(s) are willing to share the capital costs of extending the Cable System. Specifically, in the event Grantee decides to extend the Cable System, the Grantee will contribute a capital amount equal to the construction cost per mile, multiplied by a fraction whose numerator equals the actual number of unserved residences per 1320 cable-bearing strand feet from the Grantee's trunk or distribution cable, and whose denominator equals 15. Subscribers who request service hereunder shall bear the remaining cost to extend the Cable System on a *pro rata* basis. The Grantee may require that payment of the capital contribution in aid of construction borne by such potential Subscribers be paid in advance. Subscribers shall also be responsible for any non-Standard Installation charges to extend the Cable System from the tap to the residence.

3.11 Cable Service to Public Buildings. Franchising Authority acknowledges that complimentary services reflect a voluntary initiative on the part of Grantee. Grantee does not waive any rights it may have regarding complimentary services under federal law or regulation. Subject to applicable law, should Grantee elect to offset governmental complimentary services against franchise fees, Grantee shall first provide Franchising Authority with ninety (90) days' prior notice. The Grantee, upon request, shall provide without charge, a Standard Installation and one outlet of Basic Cable to those administrative buildings owned and occupied by the Franchising Authority, fire station(s), sheriff sub-station(s), and K-12 public school(s) that are passed by its Cable System. The Cable Service provided shall not be distributed beyond the originally installed outlet without authorization from the Grantee. The Cable Service provided shall not be used for commercial purposes, and such outlets shall not be located in areas open to the public. The Franchising Authority shall take reasonable precautions to prevent any use of the Grantee's Cable System in any manner that results in any loss or damage to the Cable System. The Franchising Authority shall hold the Grantee harmless from any and all liability or claims arising out of the provision and use of Cable Service required by this subsection. The Grantee shall not be required to provide an outlet to such buildings where a non-Standard Installation is required, unless the Franchising Authority or building owner/occupant agrees to pay the incremental cost of any necessary Cable System extension and/or non-Standard Installation. If additional outlets of Basic Cable are provided to such buildings, the building owner/occupant shall pay the usual installation and service fees associated therewith.

3.12 Technical Standards. The Grantee is responsible for insuring that the Cable System is designed, installed and operated in a manner that fully complies with FCC rules in Subpart K of Part 76 of Chapter I of Title 47 of the Code of Federal Regulations as revised or amended from time to time. As provided in these rules, the Franchising Authority shall have, upon request, the right to obtain a copy of tests and records required in accordance with appropriate rules but has no authority, pursuant to federal law, to enforce compliance with such standards.

3.13 Emergency Use. Grantee shall provide an operating Emergency Alert System (“EAS”) throughout the term of this Franchise in compliance with FCC standards. Grantee shall test the EAS as required by the FCC. Upon request, the City shall be permitted to participate in and/or witness the EAS testing up to twice a year on a schedule formed in consultation with Grantee. If the test indicates that the EAS is not performing properly, Grantee shall make any necessary adjustment to the EAS, and the EAS shall be retested.

3.14 Reimbursement of Costs. If funds are available to any Person using the Public Way for the purpose of defraying the cost of any of the foregoing, the Franchising Authority shall reimburse the Grantee in the same manner in which other Persons affected by the requirement are reimbursed. If the funds are controlled by another governmental entity, the Franchising Authority shall make application for such funds on behalf of the Grantee.

3.15 Customer Service Standards. The Franchising Authority hereby adopts the customer service standards set forth in Part 76, § 76.309 of the FCC’s rules and regulations, as amended. The Grantee shall comply in all respects with the customer service requirements established by the FCC.

3.16 Fees and Charges to Customers All rates, fees, charges, deposits and associated terms and conditions to be imposed by the Grantee or any affiliated Person for any Cable Service as of the Effective Date shall be in accordance with applicable FCC’s rate regulations. Before any new or modified rate, fee, or charge is imposed, the Grantee shall follow the applicable FCC notice requirements and rules and notify affected Customers, which notice may be by any means permitted under applicable law.

3.17 Customer Bills and Privacy Customer bills shall be designed in such a way as to present the information contained therein clearly and comprehensibly to Customers, and in a way that (A) is not misleading and (B) does not omit material information. Notwithstanding anything to the contrary in Section 3.15 above, the Grantee may, in its sole discretion, consolidate costs on Customer bills as may otherwise be permitted by Section 622(C) of the Cable Act (47 U.S.C. 542(c)). The Grantee shall also comply with all applicable federal and state privacy laws, including Section 631 of the Cable Act and regulations adopted pursuant thereto.

SECTION 4

Regulation by the Franchising Authority

4.1 Franchise Fee.

A. The Grantee shall pay to the Franchising Authority a franchise fee of five percent (5 %) of annual Gross Revenue (as defined in subsection 1.1 of this Franchise). In accordance with the Cable Act, the twelve (12) month period applicable under the Franchise for the computation of the franchise fee shall be a calendar year. The franchise fee payment shall be due annually and payable within ninety (90) days after the last day of the preceding calendar year. Each payment shall be accompanied by a brief report prepared by a representative of the Grantee showing the basis for the computation. In the event that Franchising Authority requires any application fee from

Grantee in the renewal of this Franchise Agreement, the Franchising Authority agrees that Grantee shall offset that fee from the next franchise fee payment at the end of the current calendar year.

B. **Limitation on Franchise Fee Actions.** The period of limitation for recovery of any franchise fee payable hereunder shall be three (3) years from the date on which payment by the Grantee is due.

C. The Grantee may credit any Franchise Fee payments against the Utility User Tax paid by the Grantee to the Franchising Authority pursuant to City Ordinance 97-6-24-7. Should the authorization for the Utility User Tax be limited or terminated, the Grantee shall continue to pay the Franchising Authority a franchise fee not to exceed five percent (5%) of Gross Revenues. However, in no case shall the sum of fees and taxes paid to the Franchising Authority by the Grantee exceed five percent (5%), plus the percentage amount of the Utility User Tax which exceeds five percent (5%). The sum of fees and taxes shall not be unduly discriminatory towards the Grantee or its customers, solely because of their status of such. The Franchising Authority agrees that all amounts paid to the Franchising Authority as franchise fees and Utility User Taxes may be added to the price of Cable Services and collected from the Grantee's customers as "external costs" as such term is used in 47 C.F.R. 76.922. In addition, all amounts paid as franchise fees and Utility User Taxes may be separately stated on customers' bills as permitted in 47 C.F.R.76.985. Any increase in fees and taxes will be payable by the Grantee to the Franchising Authority after (a) the approval of the Franchising Authority, if required, to the inclusion of the increase on the customers' bills, including any required approval pursuant to 47 C.F.R. 76.933; (b) notice to the Grantee's customers of the increase; and (c) the collection of the increase in fees and taxes by the Grantee from its customers. For the purposes of this Section, the annual period applicable under the Franchise for the computation of the franchise fees and Utility User Taxes shall be a calendar year, unless otherwise agreed to in writing by the Franchising Authority and the Grantee. Such payment shall be due and payable ninety (90) days after the close of the preceding calendar year period. Each payment shall be accompanied by a brief report from a representative of the Grantee showing the basis for the computation.

4.2 Rates and Charges. The Franchising Authority may regulate rates for the provision of Basic Cable and equipment as expressly permitted by federal or state law.

4.3 Renewal of Franchise.

A. The Franchising Authority and the Grantee agree that any proceedings undertaken by the Franchising Authority that relate to the renewal of the Grantee's Franchise shall be governed by and comply with the provisions of Section 626 of the Cable Act.

B. In addition to the procedures set forth in said Section 626(a), the Franchising Authority agrees to notify the Grantee of all of its assessments regarding the identity of future cable-related community needs and interests, as well as the past performance of the Grantee under the then current Franchise term. The Franchising Authority further agrees that such assessments shall be provided to the Grantee promptly so that the Grantee has adequate time to submit a proposal under

Section 626(b) of the Cable Act and complete renewal of the Franchise prior to expiration of its term.

C. Notwithstanding anything to the contrary set forth in this subsection 4.3, the Grantee and the Franchising Authority agree that at any time during the term of the then current Franchise, while affording the public appropriate notice and opportunity to comment, the Franchising Authority and the Grantee may agree to undertake and finalize informal negotiations regarding renewal of the then current Franchise and the Franchising Authority may grant a renewal thereof.

D. The Grantee and the Franchising Authority consider the terms set forth in this subsection 4.3 to be consistent with the express provisions of Section 626 of the Cable Act.

4.4 Conditions of Sale. If a renewal or extension of the Grantee's Franchise is denied or the Franchise is lawfully terminated, and the Franchising Authority either lawfully acquires ownership of the Cable System or by its actions lawfully effects a transfer of ownership of the Cable System to another party, any such acquisition or transfer shall be at the price determined pursuant to the provisions set forth in Section 627 of the Cable Act.

The Grantee and the Franchising Authority agree that in the case of a final determination of a lawful revocation of the Franchise, the Grantee shall be given at least twelve (12) months to effectuate a transfer of its Cable System to a qualified third party. Furthermore, the Grantee shall be authorized to continue to operate pursuant to the terms of its prior Franchise during this period. If, at the end of that time, the Grantee is unsuccessful in procuring a qualified transferee or assignee of its Cable System which is reasonably acceptable to the Franchising Authority, the Grantee and the Franchising Authority may avail themselves of any rights they may have pursuant to federal or state law. It is further agreed that the Grantee's continued operation of the Cable System during the twelve (12) month period shall not be deemed to be a waiver, nor an extinguishment of, any rights of either the Franchising Authority or the Grantee.

4.5 Transfer of Franchise. The Grantee's right, title, or interest in the Franchise shall not be sold, transferred, assigned, or otherwise encumbered, other than to an entity controlling, controlled by, or under common control with the Grantee, without the prior consent of the Franchising Authority, such consent not to be unreasonably withheld. No such consent shall be required, however, for a transfer in trust, by mortgage, by other hypothecation, or by assignment of any rights, title, or interest of the Grantee in the Franchise or Cable System in order to secure indebtedness. Within thirty (30) days of receiving a request for transfer, the Franchising Authority shall notify the Grantee in writing of any additional information it reasonably requires to determine the legal, financial and technical qualifications of the transferee. If the Franchising Authority has not taken action on the Grantee's request for transfer within one hundred twenty (120) days after receiving such request, consent by the Franchising Authority shall be deemed given.

SECTION 5

Oversight and Regulation by Franchise Authority

5.1 Books and Records. The Grantee agrees that the Franchising Authority, upon thirty (30) days written notice to the Grantee, may review such of its books and records at the Grantee's business office, during normal business hours and on a nondisruptive basis, as is reasonably necessary to ensure compliance with the terms of this Franchise. Such notice shall specifically reference the Section of the Franchise which is under review, so that the Grantee may organize the necessary books and records for easy access by the Franchising Authority. Alternatively, if the books and records are not easily accessible at the local office of the Grantee, the Grantee may, at its sole option, choose to pay the reasonable travel costs of the Franchising Authority's representative to view the books and records at the appropriate location. The Grantee shall not be required to maintain any books and records for Franchise compliance purposes longer than three (3) years. Notwithstanding anything to the contrary set forth herein, the Grantee shall not be required to disclose information which it reasonably deems to be proprietary or confidential in nature, nor disclose books and records of any affiliate which is not providing Cable Service in the Service Area. The Franchising Authority agrees to treat any information disclosed by the Grantee as confidential and only to disclose it to employees, representatives, and agents thereof that have a need to know, or in order to enforce the provisions hereof. The Grantee shall not be required to provide Subscriber information in violation of Section 631 of the Cable Act.

5.2 Franchise Fees Subject to Audit.

5.2.1. Upon reasonable prior written notice, during normal business hours at Grantee's principal business office, the Franchising Authority shall have the right to inspect the Grantee's financial records used to calculate the Franchising Authority's franchise fees; provided, however, that any such inspection shall take place within two (2) years from the date the Franchising Authority receives such payment, after which period any such payment shall be considered final.

5.2.2. Upon the completion of any such audit by the Franchising Authority, the Franchising Authority shall provide to the Grantee a final report setting forth the Franchising Authority's findings in detail, including any and all substantiating documentation. In the event of an alleged underpayment, the Grantee shall have thirty (30) days from the receipt of the report to provide the Franchising Authority with a written response agreeing to or refuting the results of the audit, including any substantiating documentation. Based on these reports and responses, the parties shall agree upon a "Finally Settled Amount." For purposes of this Section, the term "Finally Settled Amount(s)" shall mean the agreed upon underpayment, if any, to the Franchising Authority by the Grantee as a result of any such audit. If the parties cannot agree on a "Final Settlement Amount," the parties shall submit the dispute to a mutually agreed upon mediator within sixty (60) days of reaching an impasse. In the event an agreement is not reached at mediation, either party may bring an action to have the disputed amount determined by a court of law.

5.2.3. Any “Finally Settled Amount(s)” due to the Franchising Authority as a result of such audit shall be paid to the Franchising Authority by the Grantee within thirty (30) days from the date the parties agree upon the “Finally Settled Amount.” Once the parties agree upon a Finally Settled Amount and such amount is paid by the Grantee, the Franchising Authority shall have no further rights to audit or challenge the payment for that period. The Franchising Authority shall bear the expense of its audit of the Grantee’s books and records.

SECTION 6

Insurance and Indemnification

6.1 Insurance Requirements. The Grantee shall maintain in full force and effect, at its own cost and expense, during the term of the Franchise, Commercial General Liability Insurance in the amount of one million dollars (\$1,000,000) combined single limit for bodily injury and property damage. The Franchising Authority shall be designated as an additional insured. Such insurance shall be noncancellable except upon thirty (30) days prior written notice to the Franchising Authority. Upon written request, the Grantee shall provide a Certificate of Insurance showing evidence of the coverage required by this subsection.

6.2 Indemnification. The Grantee agrees to indemnify, save and hold harmless, and defend the Franchising Authority, its officers, boards and employees, from and against any liability for damages and for any liability or claims resulting from property damage or bodily injury (including accidental death), which arise out of the Grantee's construction, operation, or maintenance of its Cable System, provided that the Franchising Authority shall give the Grantee written notice of its obligation to indemnify the Franchising Authority within ten (10) days of receipt of a claim or action pursuant to this subsection. Notwithstanding the foregoing, the Grantee shall not indemnify the Franchising Authority for any damages, liability or claims resulting from the willful misconduct or negligence of the Franchising Authority.

SECTION 7

Enforcement and Termination of Franchise

7.1 Notice of Violation. In the event that the Franchising Authority believes that the Grantee has not complied with the terms of the Franchise, the Franchising Authority shall informally discuss the matter with Grantee. If these discussions do not lead to resolution of the problem, the Franchising Authority shall notify the Grantee in writing of the exact nature of the alleged noncompliance.

7.2 The Grantee's Right to Cure or Respond. The Grantee shall have thirty (30) days from receipt of the notice described in subsection 7.1: (A) to respond to the Franchising Authority, contesting the assertion of noncompliance, or (B) to cure such default, or (C) in the event that, by the nature of default, such default cannot be cured within the thirty (30) day period, initiate reasonable

steps to remedy such default and notify the Franchising Authority of the steps being taken and the projected date that they will be completed.

7.3 Public Hearing. In the event that the Grantee fails to respond to the notice described in subsection 7.1 pursuant to the procedures set forth in subsection 7.2, or in the event that the alleged default is not remedied within thirty (30) days or the date projected pursuant to 7.2 (C) above, if it intends to continue its investigation into the default, then the Franchising Authority shall schedule a public hearing. The Franchising Authority shall provide the Grantee at least ten (10) days prior written notice of such hearing, which specifies the time, place and purpose of such hearing, and provide the Grantee the opportunity to be heard.

7.4 Enforcement. Subject to applicable federal and state law, in the event the Franchising Authority, after the hearing set forth in subsection 7.3, determines that the Grantee is in default of any provision of the Franchise, the Franchising Authority may:

- A. Seek specific performance of any provision, which reasonably lends itself to such remedy, as an alternative to damages; or
- B. Commence an action at law for monetary damages or seek other equitable relief; or
- C. In the case of a substantial default of a material provision of the Franchise, seek to revoke the Franchise in accordance with subsection 7.5.

7.5 Revocation. Should the Franchising Authority seek to revoke the Franchise after following the procedures set forth in subsections 7.1-7.4 above, the Franchising Authority shall give written notice to the Grantee of its intent. The notice shall set forth the exact nature of the noncompliance. The Grantee shall have ninety (90) days from such notice to object in writing and to state its reasons for such objection. In the event the Franchising Authority has not received a satisfactory response from the Grantee, it may then seek termination of the Franchise at a public hearing. The Franchising Authority shall cause to be served upon the Grantee, at least thirty (30) days prior to such public hearing, a written notice specifying the time and place of such hearing and stating its intent to revoke the Franchise.

At the designated hearing, the Franchising Authority shall give the Grantee an opportunity to state its position on the matter, after which it shall determine whether or not the Franchise shall be revoked. The Grantee may appeal such determination to an appropriate court, which shall have the power to review the decision of the Franchising Authority *de novo*. Such appeal to the appropriate court must be taken within sixty (60) days of the issuance of the determination of the Franchising Authority.

The Franchising Authority may, at its sole discretion, take any lawful action which it deems appropriate to enforce the Franchising Authority's rights under the Franchise in lieu of revocation of the Franchise.

7.6 Force Majeure. The Grantee shall not be held in default under, or in noncompliance with, the provisions of the Franchise, nor suffer any enforcement or penalty relating to noncompliance or

default, where such noncompliance or alleged defaults occurred or were caused by circumstances reasonably beyond the ability of the Grantee to anticipate and control. This provision includes work delays caused by waiting for utility providers to service or monitor their utility poles to which the Grantee's Cable System is attached, as well as unavailability of materials and/or qualified labor to perform the work necessary.

Furthermore, the parties hereby agree that it is not the Franchising Authority's intention to subject the Grantee to penalties, fines, forfeitures or revocation of the Franchise for violations of the Franchise where the violation was a good faith error that resulted in no or minimal negative impact on the Subscribers within the Service Area, or where strict performance would result in practical difficulties and hardship to the Grantee which outweigh the benefit to be derived by the Franchising Authority and/or Subscribers.
