Notice of the upcoming Community Development Block Grant (CDBG) program year was formally announced in the September-October 2016 edition of the Five County 'NEWS FROM 'R' VIEW' newsletter that was just mailed out to every jurisdiction and to other interested parties throughout southwestern Utah. Please see that newsletter for additional program information. Our Association's newsletter can also be read online at: <http://www.fivecounty.utah.gov>

A jurisdiction contemplating applying for CDBG funds must assign at least one elected official to attend one of the two scheduled mandatory workshops, whether you are applying for your jurisdiction, or plan to sponsor a sub-recipient applicant through your jurisdiction. A representative of the "sub-recipient entity" must also be in attendance with the elected official.

A post card will be mailed later in October reminding jurisdictions of the upcoming workshops.
