

Meeting of the Castle Dale City Council
July 14, 2016

In attendance:

Mayor Danny Van Wagoner
Council: Joel Dorsch
Julie Johansen
Brad Giles
Doug Weaver

Recorder: Lael White
Treasurer: Jackie Collard
Fire Chief: Ignacio Arrien

Brad Giles welcomed everyone to the meeting, noting that Mayor Van Wagoner would be joining the meeting later

Julie Johansen gave an opening statement.

Pledge of Allegiance

Approval of Minutes from the June 7, City Council Meeting.

Julie Johansen made a motion to approve the minutes. Doug Weaver seconded the motion.
Voting: Joel Dorsch, yes; Julie Johansen, yes; Doug Weaver, yes. The motion passed.

Approval of Minutes from the June 21, Budget Meeting.

Julie Johansen made a motion to approve the minutes. Doug Weaver seconded the motion.
Voting: Joel Dorsch, yes; Julie Johansen, yes; Doug Weaver, yes. The motion passed.

Harold Strong: Relief on Water Bill

I was out of town for the Winter, and had a water leak while I was gone. I didn't become aware of it until I returned, and received the bill. I don't think it is fair that I have to pay for a water bill when I wasn't here.

Brad Giles asked if the water was turned off at the meter for Snowbirds. Ignacio Arrien said yes, if they request it.

Brad: Our policy is to refund half of the overage amount if the bill is current, and the leak is repaired.

Julie Johansen made a motion to refund half of the overage amount. Doug Weaver seconded the motion.

Brad assigned Jackie to determine the amount of the overage charge, so they could vote on this.

Consideration of Land Use Committee

Brad recommended to table this until next month, as Mayor Van Wagoner was not here with the list.

Julie Johansen made a motion to table this. Doug Weaver seconded the motion.

Voting: Joel Dorsch, yes; Julie Johansen, yes; Doug Weaver, yes. The motion passed.

Donation for Miner's Memorial

We had already voted to donate \$250.00 for the Memorial last August. Dennis Ahordian gave the office staff the address to send the donation, and thanked the City.

Fire Department Report

Ignacio Arrien: We have Fire School tomorrow and Saturday in Ferron. We will train on live fire and defensive driving with a simulator

Mayor Van Wagoner joined the meeting.

City Report

The Welcome Center is proceeding. We will get the glass door next week, and then the brickwork around the door can be finished.

The Cemetery Project is proceeding. There are two rows done, and it is going well.

On the Sidewalk Project, 360 feet are finished. There is 635 feet of sidewalk removed, and waiting to be poured. There is 985 more feet we plan to remove and replace this year. We have started in Valley View area. The contractor is pouring every day, and should be finished in another month. When that is finished then the crews will use the new grinding machine to smooth out the smaller uneven sidewalks.

The budget includes monies for purchase of a new dump-truck for \$13,000 and a new 4 wheeler for \$2,000. I have narrowed the choices down and want the council's approval to negotiate with the sellers. I will also need a plane ticket to get the dump truck here, as there are none available locally.

Doug Weaver made a motion to proceed on the purchases, and approve a plane ticket. Julie Johansen seconded the motion.

Voting: Joel Dorsch, yes; Brad Giles, yes; Julie Johansen, yes; Doug Weaver, yes. The motion passed.

The amount of a refund for Harold Strong was determined to be \$62.85

Voting: Joel Dorsch, yes; Brad Giles, yes; Julie Johansen, yes; Doug Weaver, yes. The motion passed.

Mayor Van Wagoner: Welcomed the new Ordinance Enforcement Officer, Jared Lofthouse. He will give his contact information to the office staff, and they will give him the ordinances, and other things he needs.

Brad Giles, The CVSSD has completed the scheduled roads on 400 South and 400 East, and the Curb and Gutter installation bid has been awarded.

Julie Johansen The Land Use Committee needs three more people before we can function. Mayor Van Wagoner talked to two of the people on the list and was turned down. He will continue to contact the others.
I will attend a Crisis Meeting in Richfield this month.

Doug Weaver: We have had a lot of problems with loose dogs in town. I will talk to Seth about this.

Mayor Van Wagoner: The new City Hall is 16% completed. It is behind the schedule of 23%, but should still be finished in January. The flatwork that is finished will have to cure for a week, so it will look like nothing is being done for a while.

Brad Giles made a motion to adjourn. Julie Johansen seconded the motion.

Voting: Joel Dorsch, yes; Julie Johansen, yes; Doug Weaver, yes. The motion passed.
