Behind the Barrels: 1-20-17 Update

This week, crews re-opened the College Connector Trail on temporary pavement. The trail will remain open through summer 2017 when it will be closed again for approximately six weeks as the wider, permanent trail surface is constructed.

Active construction is still on-going in the area. Pedestrians and bicyclists are advised to stay clear of the construction zones and remain on the designated trail.... See More
