President Payson Library Board

Re: Request of Nancy Allen to be appointed to the Payson Library Board

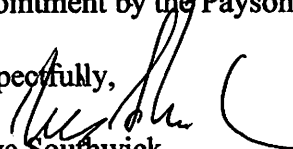

Dear Mr. Tuckett

Nancy Allen (891 West 1500 South) has agreed to be a member of the Payson City library board.

Nancy has served as a member of the Friends of the Payson Library for the past several years. She and her husband Robert served as president of the Friends in successive years. Nancy has been invaluable in her service. She has organized book sales raising several hundred dollars for our local library. She and her husband spent hours decorating, sorting books and offering guidance to the library director.

Because of time considerations, she has requested to be released as a member of the Friends but she has offered her expertise to the library board. We are pleased to recommend her appointment by the Payson City Council.

Respectfully,

Steve Southwick
292 East 1330 South
Payson, UT 84651
