Administrative Report

Presented to City Council – November 1, 2017

City of Taylorsville
2600 West Taylorsville Boulevard
Taylorsville, Utah 84129
PROJECT UPDATES

Mid-Valley Performing Arts Center

Preliminary design work continues on the Mid-Valley Performing Arts Center. General site layouts have been proposed based on the Taylorsville General Plan and input from the Taylorsville City Council and Planning Commission. The theater will likely be placed generally in southeast quadrant of the City Center site and face west/northwest towards a new plaza/landscaped area and Taylorsville City Hall, with new parking for the theater constructed in the northeast quadrant. Corner locations at the intersection of Taylorsville Blvd. and Centennial Way may be reserved for future restaurant uses. Two open houses were conducted at Taylorsville City Hall on October 25th to receive early design input from interested citizens and various arts groups.

Summit Vista

Work continues moving along and the project continues moving forward. Roads are still being graded and footings, foundations and utilities for the first two buildings are still proceeding.
The brick on the exterior of the addition has been installed, the stucco on the exterior is completed and the color coat has been applied. The interior of the addition has been insulated, the drywall is hung and should be finished next week and an air conditioning unit has been installed. All of the glass has been installed in the window frames, the outside door is on and the interior door is ready to install. The suspended ceiling will be installed after the drywall is finished and painted. From there, the addition just needs trim and some finish work.
Wall Projects

All the residents impacted by the 3200 west wall and 4700 south wall projects have received the license agreements and we are working on getting those signed and turned into the city. Construction should begin early next year.

Storm Drain Projects

Construction on 1300 West is completed and continues on Bennion Boulevard on both the North and South sides. Completion date has moved into November as a result of some utility conflicts on Bennion Boulevard.

EPA Grant

Pro-pipe, who the contract was awarded to, has begun to clean and video inspect the storm drain.

Redwood Road Improvements

This project includes improvements along Redwood Road between 4100 South and 5400 South. Improvements include sidewalk, curb/gutter, landscaping, utility relocations and intersection improvements. We have received approval for the project funding to include burial of utilities. Currently Rocky Mountain Power is working on a utility design for the burial of the power lines. Once this design is done the remaining environmental work can be completed. The improvements are expected to be completed by end of year.

FAMILY FALL FESTIVAL
ELECTION INFORMATION

CITY OF TAYLORSVILLE
2017 GENERAL ELECTION INFORMATION

GENERAL ELECTION DAY
November 7, 2017

Registered voters will be mailed their ballots for Taylorsville’s Municipal General Election beginning the week of October 17th. Completed ballots may be returned by mail in the postage-paid envelope provided. Ballots returned by mail must be postmarked no later than the day before Election Day (November 6th).

Those who prefer to vote in person on machines may still do so during the Early Voting period prior to the election or on Election Day at any Salt Lake County Vote Center.

EARLY VOTING - TAYLORSVILLE CITY HALL
(1st Floor of Taylorsville City Hall in Room 110)
Wed - Fri: October 25, 26, 27 & November 1, 2, 3
3:00 p.m. to 7:00 p.m.

For Early Voting locations/hours, visit: www.slco.org/Clark/elections

For more information regarding elections, contact:
Salt Lake County Clerk (Elections)
www.GOT-VOTE.org
385-468-8683
or
Cheryl Peacock Cottle, Taylorsville City Recorder
801-953-5400
ccottle@taylorsvilleut.gov

ELECTION DAY IN-PERSON VOTING
Vote Centers are open from 7:00 a.m. - 8:00 p.m. on Election Day (November 7th).

Taylorsville Election-Day Vote Center Locations:
Taylorsville City Hall, 2600 W Taylorsville Blvd.
Taylorsville Senior Center, 4743 S Plymouth View Dr.
LDS Bennion Church, 6250 S 2200 W

NOTE: Taylorsville Voters may vote at any Vote Center in Salt Lake County on Election Day and receive their appropriate Taylorsville Ballot.

For Vote Center Locations, call Salt Lake County Elections at 385-468-8683 or visit www.slco.org/Clark/elections.

Voters may also vote in person at the Salt Lake County Clerk’s Office
County Government Center
2001 South State Street
South Building, First Floor
From October 10 – November 7, 2017
(workdays only) 8:00 a.m. to 5:00 p.m.

Valid Voter ID is required to vote in person.
OFFICER’S OF THE MONTH

Officer Kent Kobayashi—August 2017

During the first three weeks of August, 2017, Officer Kobayashi responded to several details and proactive calls that led to multiple felony arrests.

On August 6th, Officer Kobayashi, while on pro-active patrol near 4764 S. Plymouth View Drive, located a felon who was in possession of 17 ounces of methamphetamine.

On August 7th, Officer Kobayashi, while on pro-active patrol near Labrum Park, located a stolen vehicle. The vehicle was recovered and the driver was taken into custody.

On August 12th, Officer Kobayashi, while responding to an assault investigation near 4700 S Redwood Road, located a stolen vehicle which also resulted in the recovery of narcotics.

On August 20th, Officer Kobayashi, while on pro-active patrol near 4800 S. Canal Road, located a stolen car that was later recovered on Erin Circle.

Officer Kobayashi is to be commended for his attention to detail and pro-active policing. The Unified Police Department and citizens of Taylorsville City are fortunate to have him.

Officer Jason Albrecht—September 2017

On September 27th, 2017 at 05:08hrs Officers were dispatched on an industrial accident, in which the victim, a Rocky Mountain Power Employee had been electrocuted while working on a power box. Officer Jason Albrecht arrived on scene within three minutes of being dispatched. He quickly evaluated the scene and retrieved his AED from his vehicle and began CPR. Officer Albrecht utilized the AED and continued lifesaving efforts until the Unified Fire Authority arrived and took over lifesaving measures. The victim was transported to IMC in extremely critical condition.

The following day I was on another call in which the same UFA crew responded. In speaking with the Captain of that crew he told me how impressed he was with Officer Albrecht’s quick actions and that he had no doubt that if Officer Albrecht had not acted so quickly and decisively the victim would have surely passed. After completing his assignment on the above detail, Officer Albrecht volunteered to stay on duty and provide additional manpower to the day shift as they were short staffed on that day.

In addition to Officer Albrecht’s actions that day, Officer Albrecht acts as the lead Officer for his shift in the absence of a supervisor. He continually mentors the younger Officers and provides advice and feedback to them. I have seen Officer Albrecht on multiple occasions pull the younger Officers aside and help them see a situation from a different perspective and help them make the best possible decisions in their role as Police Officers for the citizens of Taylorsville City.
UPCOMING EVENTS

Phone: (801) 815-0003
Leisure Activities, Recreation & Parks Committee (LARP)

HOLIDAY OUTDOOR DECOR CONTEST

Show off your community pride and holiday spirit by nominating yourself or a neighbor in the City of Taylorsville for the HOLIDAY OUTDOOR DECOR CONTEST!
Submit a picture or video via email to LARP@taylorsvilleut.gov
All entries must be received by Tuesday, January 2, 2018 at 5PM.

There will be two award recipients selected by the Taylorsville LARP Committee!

Saturday with Santa
Saturday, December 2, 2017 from 2PM - 4PM
Taylorsville-Bennion Heritage Center (Dairy Store)
1488 West 4800 South  Taylorsville, Utah
Free Event - Open to the Public
City of Taylorsville Green Committee and the Utah Recycling Alliance are proud to announce

AMERICA RECYCLES DAY

FIX-IT CLINIC

Saturday, November 18
2:00 PM - 4:00 PM
Taylorsville City Hall
2600 West Taylorsville Blvd.

This Fix-It clinic is to help residents diagnose and derive confidence to self repair, take apart, and troubleshoot mechanical or electrical failures of small appliances. This is a great opportunity to patch up older items that can have a second life, instead of throwing them away or buying the same products in the upcoming holiday season.

Please contact Jeffrey Summerhayes at 385-468-6337 or jsummerhaysewasatchfrontwaste.org with questions, or if you can volunteer your handyman/handywoman skills.

GREENHOUSE WINTER GARDENING

The Community Greenhouse is now open.
The winter gardening fee is $45.00

For additional information please contact:
Toni Lenning at 801-414-4192
Amateur Radio Technician License Exam Sessions
The City of Taylorsville and UtahSAG are proud to host W5YI Amateur Radio license exam sessions. Anyone interested in testing to receive or upgrade their ham radio license is welcome to attend. The sessions will be held on the last Monday of most months from 7:00 p.m. - 9:00 p.m. at Taylorsville City Hall.

The scheduled testing sessions for 2017 are:

- October 30
- November 27

Register on-line at www.hamstudy.org

NOTE: The testing sessions are not a course that will prepare you to take the license exams. Studying ahead of time is highly recommended. If you have any questions, contact Taylorsville Emergency Management at (801) 963-5400.

FALL LEAF COLLECTION
The annual Fall Leaf Collection Program will begin on October 15 and last through November 30.

During this time Taylorsville residents can pick up leaf bags at:
- Keams Library: 5350 S. 4220 W.
- Taylorsville City Hall: 2600 W. Taylorsville Blvd.

Leaf Bags can be dropped off at:
- South Ridge Park: 5210 S. 4015 W.
- Valley Ball Complex: 5100 S. 2700 W.
- Vista Park: 5000 S. 2055 W.

WFRWD leaf bags are limited to 10 bags (1-roll) per household, and available while supplies last. Residents can also use and drop off their own purchased leaf bags or lawn bags, as long as they only contain leaves.

SHARPS CONTAINERS

There are many medical conditions which require the use of lancets or needles. Due to the extreme health and safety hazards these items pose, it is important to remember that these items should never be placed loosely in your garbage can, but should be disposed of in a properly identified sharps container. Also, these items, including sharps containers, are not recyclable and should never be placed in your blue recycle can. For more information, you can contact the Salt Lake County Health Department (385-468-4100 / slco.org/health) on proper disposal of these and other hazardous materials.

CART PLACEMENTS

Please remember to keep your garbage/recycle/green carts at least three feet away from each other and from other objects, such as cars, trees, or mailboxes. This space is needed for the automated collection arms on our trucks to safely grab and empty the carts.
