## Reason for interest in serving on the Planning Commission:

There are several main reasons that I am interested in serving on the Planning Commission. First and foremost, I think that it is extremely important for individuals to be involved in the happenings of their local community. I love living in Payson and want to be a contributing member of the community through being on the Planning Commission. Serving on the Planning Commission will help me be more in tune with the happenings and needs of Payson and serve my local community.
