63G-6a-707.5 Best and final offers.

- (1) The best and final offer process described in this section:
- (a) may be used only in a request for proposals process, whether the request for proposals process is used independently or after the establishment of an approved vendor list through the approved vendor list process; and
 - (b) may not be used in any other standard procurement process, whether the other standard procurement process is used independently or after the establishment of an approved vendor list through the approved vendor list process.
- (2) Subject to Subsection (3), a conducting procurement unit may request best and final offers from responsible offerors:
- (a) only with the approval of the chief procurement officer or the head of the issuing procurement unit; and
 - (b) if:
 - (i) no single proposal adequately addresses all the specifications stated in the request for proposals;
 - (ii) all proposals are unclear or deficient in one or more respects;
 - (iii) all cost proposals exceed the identified budget or the procurement unit's available funding;or
 - (iv) two or more proposals receive an identical evaluation score that is the highest score.
- (3) A conducting procurement unit may request a best and final offer from, and a best and final offer may be submitted to the conducting procurement unit by, only a responsible offeror that has submitted a responsive proposal that meets the minimum mandatory criteria stated in the request for proposals required to be considered in the stage of the procurement process at which best and final offers are being requested.
- (4) The best and final offer process may not be used to change:
- (a) a determination that an offeror is not responsible to a determination that the offeror is responsible; or
 - (b) a determination that a proposal is not responsive to a determination that the proposal is responsive.
- (5)
- (a) This Subsection (5) applies if a request for best and final offers is issued because all cost proposals exceed the identified budget or the procurement unit's available funding.
 - (b)
 - (i) The conducting procurement unit may, in the request for best and final offers:
 - (A) specify the scope of work reductions the procurement unit is making in order to generate proposals that are within the identified budget or the procurement unit's available funding;or

- (B) invite offerors submitting best and final offers to specify the scope of work reductions being made so that the reduced cost proposal is within the identified budget or the procurement unit's available funding.
- (ii) The conducting procurement unit is not required to accept a scope of work reduction that an offeror has specified in the offeror's best and final offer.
- (c) A best and final offer submitted with a reduced cost proposal shall include an itemized list identifying specific reductions in the offeror's proposed scope of work that correspond to the offeror's reduced cost proposal.
- (d) A reduction in the scope of work may not:
 - (i) eliminate a component identified in the request for proposals as a minimum mandatory requirement; or
 - (ii) alter the nature of the original request for proposals to the extent that a request for proposals for the reduced scope of work would have likely attracted a significantly different set of offerors submitting proposals in response to the request for proposals.
- (6) If a request for best and final offers is issued because two or more proposals received an identical evaluation score that is the highest score:
 - (a) the request may be issued only to offerors who submitted a proposal receiving the highest score; and
 - (b) an offeror submitting a best and final offer may revise:
 - (i) the technical aspects of the offeror's proposal;
 - (ii) the offeror's cost proposal, as provided in Subsection (5); or
 - (iii) both the technical aspects of the offeror's proposal and, as provided in Subsection (5), the offeror's cost proposal.
- (7) In a request for best and final offers, the conducting procurement unit shall:
 - (a) clearly specify:

 - (ii) how best and final offers will be evaluated and scored in accordance with Section 63G-6a-707;
 - (b) establish a deadline for an offeror to submit a best and final offer; and
 - (c) if applicable, establish a schedule and procedure for conducting discussions with offerors concerning the best and final offers.
- (8) In conducting a best and final offer process under this section, a conducting procurement unit shall:
 - (a) maintain confidential the information the procurement unit receives from an offeror, including any cost information, until a contract has been awarded or the request for proposals canceled;
 - (b) ensure that each offeror receives fair and equal treatment; and
 - (c) safeguard the integrity of the scope of the original request for proposals, except as specifically provided otherwise in this section.
- (9) In a best and final offer, an offeror:
 - (a) may address only the issues described in the request for best and final offers; and
 - (b) may not correct a material error or deficiency in the offeror's proposal or address any issue not described in the request for best and final offers.
- (10) If an offeror fails to submit a best and final offer, the conducting procurement unit shall treat the offeror's original proposal as the offeror's best and final offer.

- (11) After the deadline for submitting best and final offers has passed, the evaluation committee shall evaluate the best and final offers submitted using the criteria described in the request for proposals.
- (12) An offeror may not make and a conducting procurement unit may not consider a best and final offer that the conducting procurement unit has not requested under this section.
- (13) To implement the best and final offer process described in this section, an applicable rulemaking authority may make rules consistent with this section and the other provisions of this chapter.

63G-6a-708 Justification statement -- Cost-benefit analysis.

- (1)
 - (a) In determining which proposal provides the best value to the procurement unit, the evaluation committee and the conducting procurement unit shall prepare a written justification statement that:
 - (i) explains the score assigned to each evaluation category;
 - (ii) explains how the proposal with the highest total combined score provides the best value to the procurement unit in comparison to the other proposals;
 - (iii) if applicable, includes the cost-benefit analysis described in Subsection (2) and how the cost-benefit analysis relates to the best value to the procurement unit; and
 - (iv) if applicable, includes the written determination described in Subsection (5).
 - (b) An explanation under Subsection (1)(a)(i) need not address each criterion within each category.
- (2) If, in determining the best value to the procurement unit, the evaluation committee awards the highest score, including the score for cost, to a proposal other than the lowest cost proposal, and the difference between the cost of the highest scored proposal and the lowest cost proposal exceeds the greater of \$10,000 or 5% of the lowest cost proposal, the evaluation committee and the conducting procurement unit shall prepare an informal written cost-benefit analysis that:
 - (a) explains, in general terms, the advantage to the procurement unit of awarding the contract to the higher cost offeror; and
 - (b) except as provided in Subsection (5):
 - (i) includes the estimated added financial value to the procurement unit of each criterion that justifies awarding the contract to the higher cost offeror; and
 - (ii) demonstrates that the value of the advantage to the procurement unit of awarding the contract to the higher cost offeror exceeds the value of the difference between the cost of the higher cost proposal and the cost of the lower cost proposals.
- (3) If the informal cost-benefit analysis described in Subsection (2) does not justify awarding the contract to the offeror that received the highest score, the issuing procurement unit:
 - (a) may not award the contract to the offeror that received the highest score; and
 - (b) may award the contract to the offeror that received the next highest score, unless:
 - (i) an informal cost-benefit analysis is required, because the difference between the cost proposed by the offeror that received the next highest score and the lowest cost proposal exceeds the greater of \$10,000 or 5% of the lowest cost proposal; and
 - (ii) the informal cost-benefit analysis does not justify award of the contract to the offeror that received the next highest score.

- (4) If the informal cost-benefit analysis described in Subsection (2) does not justify award of the contract to the offeror, described in Subsection (3), that received the next highest score, the issuing procurement unit:
 - (a) may not award the contract to the offeror that received the next highest score; and
 - (b) shall continue with the process described in Subsection (3) for each offeror that received the next highest score, until the issuing procurement unit:
 - (i) awards the contract in accordance with the provisions of this section; or
 - (ii) cancels the request for proposals.
- (5)
 - (a) The evaluation committee, with the issuing procurement unit's approval, may waive, in whole or in part, a requirement under Subsection (2)(b) if the evaluation committee determines in writing that assigning a financial value to a particular procurement item or evaluation criterion is not practicable.
 - (b) A written determination under Subsection (5)(a):
 - (i) shall explain:
 - (A) why it is not practicable to assign a financial value to the procurement item or evaluation criterion; and
 - (B) in nonfinancial terms, why awarding the contract to the higher cost offeror provides the best value to the procurement unit; and
 - (ii) may be included as part of the justification statement.
- (6)
 - (a) An issuing procurement unit is not required to make the cost-benefit analysis described in this section for a contract with a construction manager/general contractor if the contract is awarded based solely on the qualifications of the construction manager/general contractor and the management fee described in Subsection 63G-6a-707(7).
 - (b) The applicable rulemaking authority shall make rules that establish procedures and criteria for awarding a contract described in Subsection (6)(a) to ensure that:
 - (i) a competitive process is maintained; and
 - (ii) the contract awarded is in the best interest of the procurement unit.

63G-6a-709 Award of contract -- Cancellation -- Rejection of proposal.

- (1) After the completion of the evaluation and scoring of proposals and the justification statement, including any required cost-benefit analysis, the evaluation committee shall submit the proposals, evaluation scores, and justification statement to the head of the procurement unit or designee for review and final determination of a contract award or an award of multiple contracts as provided in Section 63G-6a-1204.5.
- (2) After reviewing the proposals, evaluation scores, and justification statement, including any required cost-benefit analysis, the head of the issuing procurement unit shall:
 - (a)
 - (i) award the contract as soon as practicable to the responsible offeror with the responsive proposal receiving the highest total score; or
 - (ii)
 - (A) if the head of the issuing procurement unit rejects a proposal under Subsection (3) of an offeror who would otherwise have been awarded a contract, award the contract to the responsible offeror with the responsive proposal receiving the next highest total score; and

- (B) if the head of the issuing procurement unit rejects a proposal under Subsection (3) of an offeror who would otherwise have been awarded a contract under Subsection (2)(a)(ii)(A), repeat the process described in Subsection (2)(a)(ii)(A) as many times as necessary until a contract is awarded to a responsible offeror whose proposal is not rejected; or
 - (b) cancel the request for proposals without awarding a contract.
- (3) The head of an issuing procurement unit may reject a proposal if:
- (a) the offeror who submitted the proposal:
 - (i) is not responsible;
 - (ii) is in violation of a provision of this chapter;
 - (iii) has engaged in unethical conduct; or
 - (iv) fails to sign a contract within:
 - (A) 90 days after the contract award, if no time is specified in the solicitation; or
 - (B) a time authorized in writing by the head of the issuing procurement unit;
 - (b) there is a change in the offeror's circumstances that, if the change had been known at the time the offeror's proposal was evaluated, would have caused the proposal not to have received the highest score; or
 - (c) the proposal:
 - (i) is not responsive; or
 - (ii) does not meet the mandatory minimum requirements, evaluation criteria, or applicable score thresholds stated in the solicitation.
- (4) A head of an issuing procurement unit who rejects a proposal under Subsection (3) shall:
- (a) make a written finding, stating the reasons for the rejection; and
 - (b) provide a copy of the written finding to the offeror whose proposal is rejected.
- (5) If an issuing procurement unit cancels a request for proposals without awarding a contract, the issuing procurement unit shall make available for public inspection a written justification for the cancellation.
