

**ATTACHMENT  
SITLA SPECIAL BOARD MEETING  
JANUARY 30, 2018**

**63B-28-\_\_01. County rail authorization.**

The Legislature intends that the Seven County Infrastructure Coalition may use Community Impact Board grant funds in an amount of \$30,000,000, including, but not limited to, monies from the Throughput Infrastructure Fund administered under Section 35A-8-309, if approved, to plan, design, obtain regulatory approval, and for other expenses to prepare for, construct, and operate a rail and ancillary facilities into the Uinta Basin, and private funds may also be applied to this rail project.
